Term 3 – It's best to evaluate what still needs to be achieved.

Seniors receive their reports today and juniors get theirs in Week 2 of next term.

There is excellent information attached to the senior reports summarising NCEA achievement to date. Read the report to see what has been achieved to date and then compare it to the figures on the summary as to what is available to be achieved.

Is your child tracking ok?

Past experience tells us that a good predictor of achieving well in the externals is achievement of all the available internal credits. Students shouldn't rely on the externals as their way of passing the NCEA level.

From the Principal Tena koutou katoa

Congratulations to all the Year 9 to 11 students whose successes were acknowledged in this week's Celebration Assemblies. Thanks as well to those students who performed or spoke at these assemblies. In the Year 9 assembly, Kearne Smith, Josh Greet and Nathan Kruse showed their video, accompanied by words and music by Nathan Kruse, and a group, Nicholas Bertram, Harry Digiacomio, Cian Dunwoody, Shakeelah Enoka, Cameron Howe, Matthew Kwok, Levi McMillan and Rodana Williams, who began learning their instruments this year, played Kumbaya. Year 10 students were engaged in a puzzle posed by Mr Madgwick, and Casey Tahana addressed the Year 11 assembly on self image, and TERA, whose members are Harrison Beacham-Peterson, Ethan Waite and Ben Culbert, entertained with music from Nirvana and Pantera.

Principal's assemblies this week have celebrated Sir Peter Blake Leadership Week. Two of his sayings were "If it's not hard, it's not worth doing" and "The hardest part of any big project is to begin" both of which apply to our students and their study. There is great satisfaction in achieving a goal, or steps towards a final goal.

Best wishes to everyone for the term break. Senior reports will be issued to Years 11 to 13 students at the end of today, Friday. Senior students should note the formative comments given and reflect on what they can do to improve their performance in the second part of the year. Junior reports will be issued in Week 2 of Term 3.

Parent Research Forum Parent Participants Required

Rosehill College is undertaking a planned review of our eLearning strategy, most particularly 1:1 'Bring Your Own Device' at Years 9 and 10 with Chromebooks and other digital devices. Auckland University of Technology (AUT) is collaborating with this research and the strong intention is to have 'parent voice'.

Our AUT lead researcher is Dr Leon Benade and he would like to have a structured yet casual conversation with Year 9 and 10 parents one evening. Leon will ask questions about both their experiences as parents of BYOD students and their opinions about how their child is progressing with BYOD. This parent voice will be integrated with feedback from Rosehill College students and teachers, with an aim of the research assisting planning of BYOD strategy in NZ and Rosehill College in particular.

Parent participation for this evening will be much appreciated. The details are as below:

Date: Thursday July 23

Time: 7.00 - 8.00pm

Place: College staffroom

Other: A light pizza meal will be served.

No RSVP required - just turn up and be ready to chat (see you there)

Train changes from 20 July 2015

- Electric trains will be operating on all lines from Swanson to Papakura.
- Minor timetable changes for most lines. Please check the new timetable carefully before travelling.
- Transfer required at Papakura for travel to/from Pukekohe.
- A bus service will replace trains between Swanson and Waitakere.

Mooting Competition

Recently Rosehill College entered two teams into the Waikato University Mooting Competition. 46 teams from schools across the country took part and debated for their client in a mock court of law. Both teams presented impressive arguments, but were unsuccessful in making it to the top eight. However, Rebekah Te Rito was recognised for her oratory skills and was awarded the inaugural Top Maori Mooter trophy. This is a superb achievement.

NZChefs Auckland Secondary School Competition 2015

Rosehill College took part in the following categories at the NZChefs Auckland Secondary School Competition. Congratulations to the following students for their great results.

- **What is your Flavour? (Burger Competition)**
Annie Mills and Daniel Davison - qualified to go and compete at the Nationals
- **Pasta Competition**
Shareen Conradie - awarded Bronze medal
- **Smoothies**
Emma Harrison – awarded Bronze medal

Thank you Miss Tiquia for mentoring the team and putting in hours of training and effort.

Year 11 Geography trip to the Waikato River

The Year 11 Geographers were out and about on Wednesday last week. They are doing an assessment where students decide whether or not Auckland residents should be drinking the water from the Waikato River. To help them decide, they tested the water quality at several points along the river. They also had an interesting talk at school from the staff at Environment Waikato and the Tuakau filtering station. It was a very successful trip and all students learnt a lot and had a great time.

Counties Manukau Health Could Be for You Programme

Rosehill College is part of the Counties Manukau Health Could Be for You Programme which is an initiative of Counties Manukau Health to encourage more Maori and Pasifika students to consider a career in the health area. As part of this, nine Year 12 and 13 students attended 'Our Future Leaders in Health Day' at Middlemore Hospital on July 2. Students attended presentations on different health services and participated in workshops.

Parent/Student/Teacher Interviews

These will be taking place in Weeks 4 and 5 of Term 3 on Thursday 13 and Monday 17 August. An email was sent earlier this week giving details of how to book appointments or for further information see page 5 of this newsletter.

Badminton

This week Rosehill's D grade defeated Papatoetoe 5-1. Stella Choi had the doubles experience and Pat Patthamang the determination to win comfortably. Both girls practise regularly and their form has improved throughout the season.

B1 defeated Manurewa 4-2. Sunwoo Kim had a tough game with some hard luck as he was leading 20-13 but made a few errors at the end of his singles game and lost 21-20.

In the doubles, Ben Sweney and Sunwoo looked to have the game in control, but had another close loss of 21-20.

Well done to Bianca Parsons and Shannon Rountree on their doubles win to give the team the win overall. These two year 9 girls have become an effective doubles combination.

B2 lost to Pukekohe 2-4. This was the team's first loss, but they are still in first place in the B Grade and our young players will only learn from the experience. Joel Mansell showed his true sportsmanship when he dropped himself from the doubles to give other team members who have had less badminton this season more game time. A great sporting gesture!

Good luck for the finals next term.

Football Tulips

The Rosehill Tulips played well again last night against another 1st XI, this time from Aorere College. We were a little slow in starting the game and conceded a few goals early on but slowly the girls worked into their game with good running up front from Tonicha Hunt and Maddie Hocking. Beky van Tiel ran tirelessly as usual and was supported in the second half by Jordan Jones who made a lot of tackles. We did score a goal eventually and it was well taken by Carol Muodoza making the score 3-1 to Aorere College. MVP this week was Tonicha Hunt who continues to improve every week. Rest up Tulips, next game first week back against Papatoetoe, venue to be confirmed later.

Junior Boys Football

Last week the Rosehill Junior Boys Football A team had a top of the table clash away against Mission Heights. Both teams were unbeaten at this stage of the season and Mission Heights were coming off a 17-1 win against Waiuku! Our boys started poorly and got behind in the first few minutes after some good play by Mission Heights. This was the wake up call we needed and went on to score a quick equalizer through a Sean Palmer header. Some courageous goalkeeping from Kaudee Raututi kept us in the game as Mission Heights continued to attack. After the opening chaos subsided our midfield started to assert their dominance and controlled the game which lead to us going into half time with a 4-1 lead. We continued to control the game in the second half but Mission Heights are a good team and struck back to make it 4-2. Some good defending from man of the match Nick Oliver made sure we didn't concede again and striker Lee Rocque completed his hattrick to see the game finish 5-2. The boys now sit at the top of the table and need to maintain their great start to the season to try and stay there.

Hillary Challenge Qualifier 2015

The Rosehill College Adventure Race team competed in the Hillary Challenge Qualifier last Sunday in Rotorua. This involved a six hour race which started with a run, then transitioned to mountain biking for 20km and finished with a Rogaine in the Redwoods forest. The students put in a great effort but unfortunately a navigation error on the mountain bike led them down a pretty gnarly grade 5 track and ultimately put them too far behind the top teams.

Sports Coordinator

Rosehill gained a wonderful new sports coordinator this week to help Miss Skidmore. Drop by the sports office next term to welcome Miss Humphreys who has come from Kelston Boys High School, with a strong background and passion in Rugby League. Miss Humphreys managed the 1st XI football team at Kelston for 4 years and was highly involved in the 1st XIII league team. If you need to contact the sports office from now on please get us at t.humphreys@rosehillcollege.school.nz or s.skidmore@rosehillcollege.school.nz

Parent/Student/Teacher Interviews – Parent Information

Thursday 13 August 2015 (Term 3 Week 3)
Monday 17 August 2015 (Term 3 Week 4)

Dear Parents/Guardians,

We invite you to discuss your child's progress with her/his subject teachers between 2.30pm and 6.00pm on **Thursday 13 August or Monday 17 August 2015**. School will finish at 1.40 pm on both of these days.

Making Appointments Online

This is what you can do to make appointments.

1. Find out the names of your child/children's subject teachers
2. On the internet go to: www.schoolinterviews.co.nz
3. Enter school event code: **LWB4L**
4. Enter your full name, email address, if applicable, and student/s full name/s
5. Hit "Go"
6. Select your child's/children's subjects from the left drop-box, then the teacher from the right drop-box
7. More subjects/teachers will appear as and when necessary – when finished hit "go".
8. Select the date and times you would like to have the interview/s
9. Please remember to leave 5 minutes between appointments so that you can get from one teacher to the next
10. Once you have confirmed the times by hitting the "Go" button, an email will be sent to your email address. If you do not have an email, you can either print off the times, or call the school and we can do so for you
11. If you require assistance to make bookings, please call the school on (09) 295 0661 on or after 3 August or complete the slip on the following page and we will contact you.

Unable to make appointments online

If you are unable to make appointments online and would like us to help you do so, please complete the slip below and return it to the school and we will call you back.

Unable to Attend

If you are unable to attend, and would like to talk to your child's teachers, please telephone the College to give your child's name, your name and telephone number and/or your email address if applicable and the teachers concerned will call back to make their comments, or send you an email.

Confirmation of appointments

Bring the appointments confirmation with you on the afternoon of the interviews. A map of where teachers are located will be available in the Hall foyer and senior student leaders will be on hand to guide you to interview places.

We hope you will take this valuable opportunity to meet with subject teachers to discuss the progress that your child is making and measures that will assist that progress.

Yours sincerely,

William Madgwick, Associate Principal

Please return this slip to us if you would like us to give you a call to assist with making appointments to see your child/children's subject teachers. This will take approximately 5 minutes.
