Practice Examination Study

They may be practice exams but they are nevertheless very important.

At this stage of the year, students put more effort into internal assessments than revising for exams.

This is the one and only real practice for those externals in November - study needs to be a priority.

- *Make study notes.*
- *Revise within 24 hours.*
- *Read, Memorise, say the notes aloud.*
- *This repetition sends knowledge to the long-term memory.*

From the Principal Tena koutou katoa

Again, it was great to see so many parents and students at the interviews on Monday afternoon. These subject teacher interviews provided valuable information for students to use in their subject selection for 2017. Subject selection should now be complete, and this information starts our process for creating the timetable for next year.

On Tuesday evening we held a farewell dinner for our Taiwanese visitors from Municipal Chongming Junior High School, Municipal Yong-Ren Senior High School and High School Taipei. Students have enjoyed their time at Rosehill experiencing a different culture and schooling system. I thank all our homestay families who host our international students. If you are interested in being a homestay family, please contact Delwyn Blackburn at d.blackbourn@rosehillcollege.school.nz

As part of our planning we are reviewing our Strategic Plan and have sent a survey to parents. Please participate and share your views. We are holding a hui/focus meeting on Saturday 3 September from 9.30am to 12.00 noon, and we would welcome your attendance and contributions to the discussions. If you intend to present at the focus meeting, please email inquiries@rosehillcollege.school.nz

Best wishes to all our sports teams as they head off to next week's National Winter Sports Tournaments! Thanks to our Sports Department for the work they have put into Tournament Week, and of course, a big 'thank you' to the coaches and managers who have made our teams' participation possible.

Community Consultation 2016

We are conducting a consultation with our community prior to reviewing our Strategic Plan.

We have developed a survey based on the recent public consultation on the Education Act 1989 which took place at the end of last year. That consultation identified the following seven most frequently mentioned goals for education:

- Student success and achieving individual potential
- Preparation for work and future life
- Connection to others and good citizenship
- Resilience, determination, confidence, creativity and critical thinking
- Being inclusive of all students
- Valuing cultural knowledge and identity, recognition of the Treaty of Waitangi and Te Reo Māori
- Social skills and the ability to form good relationships.

A link to this survey has been emailed to you and is given in the Principal's message on page 1. Please respond – your thoughts are important to us.

We are holding a focus meeting on Saturday 3 September from 9.30am to 12.00 noon, and we would welcome your attendance and contributions to the discussions. If you intend to present at the focus meeting, please email inquiries@rosehillcollege.school.nz

Senior exams are from 8 to 16 September. In the Term 3 exams we have a focus on external standards and subjects that are fully internally assessed may not have an exam.

This week students have been looking at their exam timetable and have been seeing Ms Buist if there are any exam clashes. There are two exam sessions per day. The morning session starts at 9 am and the afternoon session starts at 1 pm. If a bus student has a 3 hour exam in the afternoon, they will have to make their own arrangements to get home after that exam.

KAPA HAKA SOUL TOUR KI HAWAII

Aloha.... That's what we hear all over Hawaii, the formal greeting for all manuhiri to this 50th state of USA. All smiles and hugs on pickup then straight to the Hale where we settled in before a whakawhanaungatanga with hosts. Our hosts were wonderful, providing anything we wanted at a drop of a hat. Food till it came out of our ears and the whanau loving as ever.

We visited Ka'ala Farms to see the care and respect given to protect their Ala - whenua and all that is growing, very humbling and we have such a lot of respect for the kaitiaki of these lands. Our students did their part and helped clear the taro gardens of toxic plants to enable the growth of taro to flourish, awesome mahi. Many thanks to Uncle Pokii and Koro Butch for their sharing.

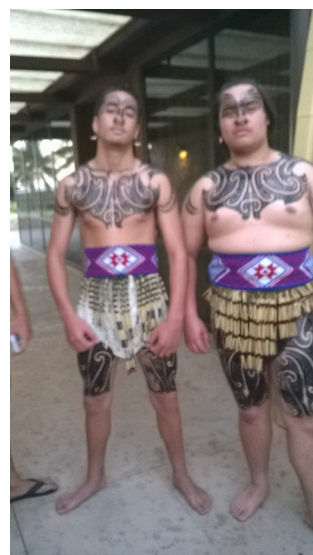

Maunga Kapu - we eventually made our way to the top of this maunga and were given a brief understanding on the name of this mountain, and what has or is being done to sustain growth of all native plants, areas for hunting and the scenery was breath taking. Much aroha to Nelson Rodriguez #tanemahuta, who is one of the workers on this maunga and a Makua from the centre, for leading our roopu on this excursion.

Interactions with the students - Wet and Wild Water park always a good day to share with the students and then to a night event Paradise Cove, experiencing Hawaiian games and pastimes- cultural participation in lei making, tribal tattoo (temporary that is), spear throwing, waka ama. Luau (umu) sharing of food and the night show displayed all the cultures of the pacific - Maori, Hawaiian, Samoa, Tahitian. Such a lovely night for all.

Whakawhanaungatanga and poroporoaki, it is always a sad time leaving our hosts who were the perfect hosts. Whaikorero sharing a moment of what they had learnt while at Queen Liliuokalani - what an experience, there was the exchange of gifts, and many hugs and kihi. Then we were off to the other side of Hawaii to the hustle and bustle of Waikiki, our students certainly saw the difference in Native Hawaiian culture and Hawaiian-American culture - very different indeed. Our final meet up with the whanau O Liliuokalani was a shared breakfast with all of them before leaving for the airport. More tears and gifts aue.... 'mahana te ngakau' mo nga Ohana of Hawaii , kei te tangi mo koutou.

Thank you to all our whanau who were there to tautoko their tamaiti in the fundraising which enabled our journey to go forward, love you all. To the V8s, International Department, Rosehill Special School, and all the students and staff from Rosehill College who bought from our stalls. Connor, Shavako, Jaylenerose, Tegan and Fenella such a pleasure to share this kaupapa with you all. Ariana, Jordarn, Ben and Whaea Barbara awesome minders and lovely company, another haerenga with you-ANYTIME.

POWHIRI- NZ ICE HOCKEY DELEGATION

FRIDAY 19 August 6.00pm - Heritage Hotel

Thank you to Jonathan Albright - organiser for this first time conference being hosted by New Zealand. We were asked to provide powhiri for manuhiri from overseas. They were unaware of the protocols and tikanga of such a process. I briefly updated them on how it works and then the call was heard. Having to explain every step was quite easy and they appreciated the information before they entered the venue. I must say they did everything we asked and more and they really took everything in from the karanga to the hariru it was so precise.

Matua, Jonathan, Paul, Gunter and Whaea Heidi appreciated the group's performance and behaviour while in their company. They have graciously given a koha of \$500 towards new travel uniforms for the Kapa Haka Group. Our manuhiri were so nervous and didn't want to put a foot wrong, I comforted them and told them not to panic and we will play everything by ear. Male in the front and female to the back explained that it wasn't an insult it is done to protect female from insults that are spoken across the floor during whaikorero. They all said they will never forget this experience and understand why we do the things we do. A kai to finish the process and Whakawhanaungatanga with the organisers and then it was back to Rosehill.

Thanks to Ariana and Jordarn for taking time out of their busy schedule to take the group.
