From the Principal *Tena koutou katoa*

We continued our end of celebrations with the Māori Awards evening on Tuesday, the farewell function on Wednesday for our international students who will be leaving us this year and the Sports Awards on Thursday evening. Congratulations to our award winners; the full list is later in the newsletter. At these ceremonies, it is always a great pleasure to hear what our students say in their speeches. They talk of their personal growth through the opportunities they have had and the support of teachers, mentors, parents and whanau.

Thank you to the staff and Student Committees who put so much work into making these evenings such a success, and I thank SAS Sports for their ongoing support of the College.

Well done to our Year 13 Art students and their teachers for the wonderful work that was on display on their boards on Friday. This work is sent to NZQA for external assessment.

We extend a warm welcome to all parents of senior students to attend next Thursday's prizegivings in the school hall. Times are as follows: Year 11 - 11.30am and Year 12 and 13 - 7pm.

No Fireworks!
A reminder to everyone that fireworks are not to be brought to school or used at school.

Summer Reading

Our Summer reading programme will be available again this year. Students can borrow up to 15 books to read over the summer break. They will need to collect a permission slip from the library for parents to sign. Please encourage your child to take advantage of this opportunity.

Encouraging students to read a wide variety of texts over the summer break will help to prevent the 'summer slide' and will have positive impact on their learning when they return to school next year.

International Students' Farewell Function 2016

On Wednesday night we hosted a farewell function for all of the international student leavers and homestay families. 26 international students have completed their study at Rosehill College this year and the majority of them will go on to various universities and start a brand new journey.

Their time studying at Rosehill College will be a precious experience remembered for many years to come. We wish all the international students the very best and we look forward to keeping in touch.

Year 13 Leavers' Ceremony

Save the Date: Monday 5 December from 6 pm - 7:30 pm.

Tickets are now on sale for the Year 13 Leavers' Ceremony. The intention is to have a ceremony to celebrate students who have stayed to complete Year 13 and then to allow students and families their own personal celebration. Tickets are \$15 per person and payment will need to be to the Cashier by Monday 28 November. Tickets will be issued closer to the event.

Keeping Our Students Safe

Our signage in the carpark shows that parents and caregivers cannot drive into this carpark between 8.00 – 8.40am and 3.00 - 3.40pm.

This is for the safety of our students and for buses to move without difficulty. We appreciate your support in this policy.

If your child requires medical support or there is another reason that requires you to drive in this carpark during restricted hours, please contact the school on 2950661.

With thanks, Rosehill College

Sports Awards

On Thursday night the Sports Department and Council held the annual Sports Awards evening to celebrate the many achievements of our students in 2016. Overall it was a successful evening with a great turn out from parents, staff, volunteers and of course students. It was great to see such a large number of people and the huge increased contribution to sport from our students. Due to the rising numbers of students volunteering their spare time to sport, the Sports Department decided to introduce a new category called Overall Student Service to Sport. We are pleased to announce that Casey Sayers received this award for 2016 for her significant contribution to Basketball and the many programmes that have been implemented this year to develop the sport.

A big "thank you" goes out to our major sponsor SAS Sport and to all other contributing sponsors throughout the year; we wouldn't be able to provide such positive sporting opportunities for our teams without their contributions. One of the main highlights of the evening was the inspirational speech from Women's Rugby 7's Silver medallist Kayla McAlister. Kayla talked about the professional sport environment, the inequality in sport for woman, the intense 4 year training programme leading up to the Olympics and the team's success in Rio 2016! The night was finished off perfectly with the major award nominees and winners being announced.

Congratulations to all of our students who received awards for 2016 and special recognition goes out to all of our major award winners.

Junior Cricket

Rosehill's Junior Cricket boys had their first Cricket Blitz match on Wednesday this week. The boys all really enjoyed themselves and had a promising start to the game yet didn't walk away with the overall win. They are all looking forward to the match next week and are feeling ready to take on the Glendowie team. A big thank you goes out to parent John Lintott for stepping into the coaching role!

Volleyball

Our Junior Girls Volleyball team had an awesome game against Te Aroha last week Thursday. They were a tough team to beat on the first set and managed to regain more points in the second. The girls pulled together for a great finish but lost 8-25 in the first game and came close in a head to head but lost by 20-25. When they played against Mangere it was a very intense game which the girls needed to push hard to get points. Overall the girls won one game and lost one.

The Junior Boys Volleyball team started well with their game against James Cook & Manurewa High last week on Thursday, which was a good competition for them. This was one competitive game against both schools where our boys proved to be one strong team. Our boys did well with one loss and a win and they are definitely ready to up their game next week!
