## Term 4 Week 4 – It's best to finish strongly.

Week 4 is our week of Academic Prizegivings. Year 12 students who achieved one 'First in Class' award were presented with these last today.

The Year 11 Prizegiving is on Wednesday at 11.30a.m. The Prizegiving for Year 12 students with more than one award and for all Year 13 awards is on Wednesday at 7p.m.

But the year is not over – because there are important standards to achieve and credits to gain in the external examinations.

NCEA External Examinations start Friday Week 4.

Junior Examinations start Week 5 12 November.

## DETER

In the examination:

- Directions** Read, understand and note the instructions.
- Examine** Look through the papers and know what has to be done.
- Time** Work out how much time can be spent on each part.
- Easiest** Do the easiest questions first leaving the harder ones until the brain has warmed up.
- Review** Leave time to go over at the end to check that everything has been done.

## Guy Fawkes

Next week contains Guy Fawkes Day – 5 November – and that means that fireworks will be on sale. Under no circumstances are fireworks to be brought to school, be in your possession at school or set off at school or on the way to or from school. Any such incident will be treated very seriously with stand down or even suspension a possible consequence.

## From the Principal Tena koutou katoa

Congratulations to all those students who received awards at our Arts Awards on Tuesday evening and Sports Awards on Thursday evening. The Arts Awards showcased the amazing talents of our students in Kapa Haka, art, speech and debating, dance, drama, choral and instrumental music. The Sports Awards highlighted the outstanding performances of teams and individuals in a very wide range of sports, from the traditional netball and rugby to karate, equestrian and ice hockey. Students participating in co-curricular activities pursue personal excellence beyond the classroom, and the skills they gain through managing themselves and undertaking regular practice enhance their academic work. Thank you to our guest speaker at the Sports Awards, David Neithe, a mental performance coach who has worked with Lydia Ko, among others. His advice to students included having belief in yourself and high expectations.

In assemblies this week, I have been clear that fireworks are not be brought to school or let off at school. We need to ensure the safety of students, staff and property.

*Sue Blakely, Principal*

## Year 13 Leavers' Ceremony Friday 4 December 6 pm-7:30 pm

Our Leavers' Ceremony celebrates students who have completed Year 13. The ceremony finishes at 7.30pm so that families can plan their own personal celebrations. The tickets are \$15 per person and cover the provision of light refreshments. Payment is to be made to the Cashier. We have extended ticket sales to Friday 6 November. Tickets will be issued closer to the event. Dress code is smart.

## WEARABLE ARTS HOUSE EVENT

The last Arts Committee House competition of the year was held last Friday. Each house had 30 minutes to create a Halloween themed costume made out of newspaper and modeled by their Head of House.

The top three houses were:

- 1st – Manutaki**
- 2nd – Kahurangi**
- 3rd – Atawhai**

Well done to all who participated!

**Rosehill College  
Gateway Programme  
Applications for 2016**

Applications for next year are invited for our school Gateway Programme if you are returning in 2016 as a Year 12 or 13 Student. If you are not familiar with the Gateway Programme it is a Tertiary Education Commission (TEC) funded programme designed to strengthen the pathways for senior students (Y12/13) with the transition from school into the workplace. The Programme Coordinator finds students work experience in a variety of careers in the community, with particular focus on students who are looking at transitioning into either a trade or directly into employment after leaving school. The programme delivers Gateway students additional work related courses and training with NCEA credits to help them toward their chosen goals. In some situations work placements may lead on to either employment or apprenticeship opportunities. Gateway has limited places so if you would like to be considered, pick up an application from Mrs Dyer in the Gateway Office at the back of the School Library or click this shortcut to be taken to the form: [Application Form](#).

If any parents or families of Rosehill College have a business that would be a suitable workplace learning experience for a Rosehill Student please contact the Gateway Coordinator, Mrs Dyer on 295 0661 ext 847 or email [n.dyer@rosehillcollege.school.nz](mailto:n.dyer@rosehillcollege.school.nz)

### Sports Awards

On Thursday night the Sports Department and Council held the annual Sports Awards evening to celebrate the many achievements of our students from 2015. It was a successful evening with a great turn out of students and parents. A big thank you goes out to our major sponsor SAS Sport and to all other contributing sponsors; we wouldn't be able to host an evening like this without their support. One of the main highlights of the evening was an inspirational speech from David Niethe, sports psychologist, who talked about being a successful athlete and the perfect equation on how to get there. The night was finished off perfectly with the major award winners being announced.

Congratulations to all of our students who received awards for 2015 and special recognition goes to all of our nominees and major award winners.

## Get your transport and logistics career moving with Toll

Have you ever considered a career in the logistics industry?

Moving resources and products around the world is critical to domestic and global economies, and impacts our daily quality of life. A career in logistics can be varied and rewarding, offering you plenty of opportunities and world experiences.

At Toll New Zealand we offer a 2-year cadet program that can get your career in logistics underway.

Toll Group is the Asia Pacific region's leading provider of logistics services, employing approximately 40,000 people across 1,200 locations in more than 50 countries. In New Zealand our operations comprise a suite of transport and logistics services. This means as a cadet at Toll you get the opportunity to experience career opportunities in Freight Forwarding, Parcels and Logistics services.

Throughout your tenure you'll be buddied with a team leader or supervisor, who will mentor you throughout your time with us. On completion of the program you gain a NZQA Level 2 & 3 Distribution and Logistics qualification.

So if you're looking for a rewarding career and to be part of something big, contact Toll New Zealand HR coordinator on 09 928 9350 or email [Toll.HumanResources@tollgroup.com](mailto:Toll.HumanResources@tollgroup.com)

### Chad Beets

Operations Supervisor and cadet program graduate, Toll Parcels Auckland

Chad joined our Auckland domestic forwarding operation in February 2012 as a cadet, straight out of school. Chad completed rotations in all the Auckland branch's functional departments and, at one point, had his eye on a sales career.

However, he also developed a liking for freight operations during his rotations. So when an opportunity came up in June 2013 for an afternoon shift supervisor at our New Zealand's parcels business, the company quickly approached Chad and offered him the role.

### Chad said,

"Through the Cadet Program I've had the pleasure of working in many different divisions and built key working relationships. This has helped me to be successful as a supervisor with Toll New Zealand - parcels."
