## From the Principal Tena koutou katoa

Progress reports are being issued this afternoon. They indicate progress against a rubric of learning habits, which is on the reverse of the report. Please read this carefully with your student and discuss with them how they can achieve the goals they have set for themselves this year. There are subject teacher interviews for students in Years 9 and 10 next Thursday 5 April from 2.30 to 6.00pm. Timetabled classes will finish at 1.40pm that day.

I wish you a happy and safe Easter break. School re-opens on Wednesday 4 April.

Together we create an  
environment for  
personal excellence

Each week, every Year 9 and 10 student is gauged against our school values by the teachers of English, Maths, Science, Social Studies and PE. Students who achieve the maximum possible marks for five weeks gain a Bronze Award. By gaining another five weeks of maximum values, students move from Bronze to Silver and so on.

The Manaakitanga awards indicate that these students are being consistently Respectful, Responsible and Caring - or in other words are showing Manaakitanga.

## PROCEDURES FOR UNWELL STUDENTS

If you receive a txt or phone call from your child saying they are unwell please...

- Tell them to go to the nurse first before you come to the school
- The nurse will assess the student
- Then she will contact the parent/caregiver if the student needs to go home.

We have systems in place to best manage this and the safety of students can be compromised if they txt family instead of following our procedures.

**Your support in this would be much appreciated.**

## NAMING GEAR

We get a lot of uniform and non-uniform items handed into the Student Office – some are very expensive and all too frequently a charity ends up benefiting as students don't collect them! Please ensure that all items brought or worn to school are NAMED, so that lost items can be returned to the rightful owner.

## Moto X

Overall the boys had a good day's racing at Rotorua with a few little mishaps with the riders and racing, but the boys have learnt from this and are ready for racing at Tauranga.

Tyrone's bike is a Honda crf250cc, number 46. He raced in the 250cc competitive class. Tyrone rode well throughout the day, and although he had a crash in the first race, he held it together well and finished overall 26th out of 35.

Jack's bike is a Yamaha yz125cc, number 35. He raced in the 125cc competitive class. Although Jack didn't finish any races because of exhaustion kicking in, he was still able to place 33rd out of 40. Jack also let Scott ride his bike in the second moto because of a mechanical failure to Scott's bike.

Scott's bike is a Honda crf250cc, number 411. He raced in the 250cc competitive class. Scott rode well in practice but when it came to racing, Scott had a crash with another rider on the first turn resulting in a broken radiator. Scott then went on to ride Jack's bike in the second moto of the competitive 125cc class. As Scott was unable to continue in his own class there were no times recorded.

Michael's bike is a Husqvarna tc125cc, number 516. He raced in the 125cc competitive class. He rode well throughout the day and if it wasn't for some unlucky starts Michael could have placed better but he is ready for Tauranga on the 6th. Michael placed 21st out of 40.
