School donations allow us to provide additional facilities that enrich the learning environment at Rosehill College. The school donation funds the school magazine, computer equipment, student ID cards, and sports and music equipment. Our Board of Trustees recognises that our families have varying abilities to pay donations, and there is a range of suggested donations depending on the number of students in the same family. Payment is voluntary and can be spread over the year by automatic payment. Tax receipts for donations paid for the financial year will be emailed after 31 March 2018.

CAMP COSTS

We try to keep camp costs as low as possible to encourage all students to attend, and also apply for grant funding to assist with transport costs. If you are unable to meet the full cost of the camp please contact your student's Head of House to arrange a reduced cost.
