- Students and their parents must also insure that the design of their taonga is reasonably practical and can be easily worn without impending or restricting movement, is not oversized or inappropriate

## Year 13 Dress Code

### Preamble

As with all members of the College community, Year 13 students are expected to maintain a high standard of dress that is appropriate to uphold the values that the College aims to nurture as reflected in our mission statement:

**"Together we create an environment for personal excellence"**

**Year 13 students are also eminent role models and leaders in the College and they should therefore dress in a way that befits this.**

Personal safety is also an important consideration, especially where students use laboratories, workshops and gymnasiums.

**All year 13 students:**

As school is a formal, work-day occasion, mufti should at all times be of a high standard while avoiding unacceptable fashion fads. All items of clothing and footwear are to be **clean and in a good state of repair.**

- Clothing is not to promote activities that contravene school rules or breach community standards by being offensive (for example: T-shirts that advertise alcohol/smoking etc.)
- Dress, jewellery and make-up are to be moderate and not excessive
- Footwear must be worn and "rubber" **jandals are not permitted**
- Dress sandals & scuffs are acceptable
- Board shorts are acceptable provided they are not torn or holed
- Caps / hats and /or sunglasses may not be worn during assemblies or lessons.

**Boys:**

- Shorts need to be at least to the mid-thigh
- Tops/shirts with sleeves are required
- **Singlets are not acceptable.**

**Girls:**

Moderate dress is to be worn with the emphasis on modesty rather than a flaunting outfit.

- Shoestring or thin straps on tops, halters, "boob-tubes", and backless tops are not permitted
- No plunging necklines are allowed
- Bra straps are not to be overtly exposed
- Bare midriff is not allowed
- Dresses, skirts and shorts need to be at least to the mid-thigh.

**The College reserves the right to withdraw the privilege of this dress code from any Year 13 student who does not meet the required standards.**

## Communication with Home

It is important that we are able to maintain contact with families at all times via **emails** and **phone calls** home to parents and caregivers.

From time to time it is necessary for the school to contact home. Our preferred method is by email.

On the enrolment form, acceptance slip and at other times, we ask parents and caregivers to supply or confirm their email address. Please only provide an email address that is accessed by parents or caregivers, and not solely by the student, and also that is checked often.

The second method of communication, especially in an emergency, is by cellphone and/or text message. Again, we ask that you provide us with a cellphone number that is used regularly by a parent or caregiver in case we need to contact you urgently.

We also ask that you keep us updated with any changes to your contact details.

## Buses

**There are two different types of buses serving Rosehill College students:**

- **AT Metro**

These buses are subsidised by Auckland Transport and are not controlled by the school. They set their own fares and timetables. Currently, AT Metro buses travel the Great South Road from Manukau City, Wattle Downs and Conifer Grove. They deliver pupils to and from the school gate.\* Specific information regarding fares, timetables and bus stops in your area should be obtained from AT Metro on phone number (09) 268 6620.

\* Note that these buses do not travel at a later time on Tuesday mornings.

**I.D. Cards:** These are required to be carried by all students and they are often requested if a student wants to travel at concession rates outside of normal school hours; e.g. to an after school job. Please check with AT Metro, Papakura.

- **Rural Buses**

These buses are operated by Murphy's. They provide a service for students who live 4.8 kilometres or more away from school. They serve the areas of Ponga Road, south beyond Runciman, west to Karaka, Kingseat and Clarks Beach.

Funding for these services is provided by the Ministry of Education.

This information is current at the time of printing, but is subject to alteration.

- **Additional Service**

Brougham buses offer a service for students living in Pukekohe. The service starts at the Paerata depot in the mornings and returns there after school. This is a user pays service.

Please contact the provider on (09) 238 6146 for more details.

**NOTE:** All students are expected to sit quietly and be well behaved at all times on the buses.
