Together we create an environment for personal excellence

From the Principal Tena koutou katoa

Our winter sports are well underway. Congratulations to our 1st XV Rugby team for making the final of the Chiefs' Trophy competition. The final is being played tonight against Pukekohe High School at Massey Park. Kick off is 7.00pm and all supporters are welcome.

Thanks must go to our Sports Department, team coaches and managers for making the many sport opportunities available to our students. Many coaches and managers are parents or members of our wider community, without whom we could not offer these sports.

As winter approaches, students should have a school jersey or school polar fleece to keep warm, and a school jacket as an extra shower-proof layer. Hoodies and sweatshirts are not part of the uniform and are not to be worn.

It is darker in the early evening and students going home from after school practices should make sure they walk or wait to be picked up in well-lit areas.

College's Enrolment Scheme

The Ministry of Education requires schools with enrolment schemes to review them periodically. Our Board did review our enrolment scheme at the monthly meeting this week and decided not to consider changes at this point. Although there are some major subdivisions underway within our zone (Hingaia, Karaka Lakes and Drury) none of them at the moment are impacting significantly on our roll, as we are managing our numbers by restricting the out of zone intake.

Sue Blakely, Principal

Child Poverty

We have one more week of collecting items for Year 12 Social Studies food drive! Nearly one in three New Zealand children live below the poverty line - that means about 600 students at Rosehill College. Please bring in any non perishable food items or personal hygiene items. This is one small step you can take to help bring NZ families out of poverty.

REVISION AND EXAMINATION INFORMATION EVENING

Tuesday 29 May, 6.00p.m. Staffroom

We present and provide information to parents and students about effective revision for examinations and techniques when sitting exams.

This will be excellent for any upcoming assessments.

1st XV Rugby Final

Our boys have made it to the Chiefs' Trophy Final which will be played tonight, 25th May, at Massey Park, kick off 7:00pm.

Come on down and support them.

This is sponsored by the Papakura Local Board and allows all students to access documentaries showing a short presentation about New Zealand Tertiary Training providers and inspirational Kiwis in Industry or Business. All students that request help or further information are automatically sent a text or email showcasing the web site addresses of those affiliated supporting organisations.

New Staff Profiles

Alicia Bekker

Teacher of Physical Education and Health

I have come to Rosehill as a long term relief teacher for Term Two. I completed my Bachelor's degree in Sport, Health and Leisure Science in 2009 at the North West University in South Africa, where I am from. I worked as a fitness instructor at Curves Ladies Gym while studying for my Diploma in Sport, Recreation and Fitness Management, which I completed in June 2013. I enrolled for my Post Graduate Certificate in Education that same year and was fortunate enough to start working at a secondary school in Durban, South Africa, while studying. I was head-hunted by a crime prevention organisation, where I worked in 2014 and 2015 while completing my Post Graduate qualification and adding to my life experiences. In 2016 I went back to teaching, as I realized teaching is definitely a passion of mine. I taught senior Geography and Life Orientation until moving to New Zealand in January 2018.

I have already learnt a lot during my time here at Rosehill College. The staff, especially in the PE Department, are wonderful. They are extremely supportive and have made me feel very welcome. I am looking forward to continuing building relationships with the learners and hope to make a positive contribution to the school culture.

PROCEDURES FOR UNWELL STUDENTS

If you receive a txt or phone call from your child saying they are unwell please...

- Tell them to go to the nurse first before you come to the school
- The nurse will assess the student
- Then she will contact the parent/caregiver if the student needs to go home.

We have systems in place to best manage this and the safety of students can be compromised if they txt family instead of following our procedures.

Your support in this would be much appreciated.

PROCEDURES FOR VISITORS TO THE SCHOOL

If any member of the public, whether parent, caregiver, grandparent, tradesperson or supplier etc., wants to come into school to see either a member of staff or a student at the school, there are procedures that need to be followed. Please:

1. Make an appointment to see whoever it is you want to meet with. Teachers are generally best contacted by email to arrange an appointment. All the school email addresses are generic – firstinitial.surname@rosehillcollege.school.nz. If you are not sure of an email address please contact the main office on (09) 295 0661 extension 0 and they will help you.
2. When you come into school make sure you sign in at Reception, just inside the main front door.
3. Please ask for a visitor's sticker, if it is not given automatically, which you must wear at all times whilst you are on school grounds.
4. Remember to sign out when you leave.

Your support in this would be much appreciated.
