WEEK 7 – It's best to understand N.C.E.A.

Many students, especially boys, said they worked out too late what they needed to achieve NCEA. Tutor Group Teachers are getting fortnightly updates of each student's credits so they can provide advice.

A simple help is www.maorifuturemakers.com/ncea-in-a-nutshell.

Practice examinations have taken place and students should be receiving the results soon; those results should indicate what now needs to be done before the Term 3 examinations.

From the Principal *Tena koutou katoa*

Congratulations to our Adventure Race team who received the Synergy Award for teamwork in the Hillary Challenge.

Thank you to all our Year 9 and 10 students who participated in the Junior Work Day today, and thank you to the parents and members of our community who provided work for these young people. I hope the experience was enjoyable and rewarding for all involved! Students have been asked to bring their money earned to school next week. If a receipt is required, please ensure that the "employer" has provided their details.

Our senior students have completed their exams, and now is the time for them to reflect on their performance in the actual exam, even before they receive their results. Questions to discuss with your sons or daughters could involve:

- What was your goal for each exam? Do you feel confident that you achieved it?
- Did you feel you had prepared sufficiently for the exam?
- Could you do all the questions or tasks asked in the exam? How was your timing to complete the exam?
- If you do not feel confident, what was the reason? What else could you have done to ensure success?
- In your assessment preparation and assessment technique:
 - what worked well
 - what didn't work well
 - what needs to be improved for the next exams (end of term 3)

Having reflected on the performance in these exams, students need to be proactive in planning for continued future success:

Plan of action - *What is your step-by-step plan for achieving your NCEA goal?*

Possible Obstacles - *What might get in your way as you work towards your goal?*

Assistance - *How will you try to get around these obstacles? – Materials, knowledge, skills, help from other people.*

From the Learner Support Department

A huge thank you to all the volunteers that have helped us with senior exams this week, as reader/writers and supervisors. Hillary Challenge 2015

The Rosehill Adventure Race Team was the Genesis Energy & Hillary Outdoors Team Synergy Award winners at the Hillary Challenge Final for 2015. The award was given to the team that displayed the most consistent teamwork over the entire week long competition. Each instructor commented that Rosehill College exhibited outstanding teamwork skills working as an enthusiastic cohesive unit and were a pleasure to be around. The Team Synergy Award donates 2 days of invaluable technical instruction at OPC for 10 team members in the 2015/16 Rosehill Adventure Racing team.

The Hillary Challenge Final (18-22 May) is an elite sporting event deemed the pinnacle of secondary school adventure racing in New Zealand. 11 teams from New Zealand and the top Australian team contested the event. The Hillary Challenge is known as the toughest secondary school adventure competition requiring a high level of physical and mental fitness with all 8 team members needing to work together constantly under stress.

The 5 day Hillary Challenge was held at OPC Tongariro with Adventure Race and Rogaine course set in rugged mountain terrain. All 12 teams participated in 2 days of outdoor adventure problem solving challenges; 2 day Rogaine style wilderness expedition followed by an 8 hour multisport race. All details of every challenge remain secret until the event starts. Each team is scored on their skill, speed, endurance and teamwork during each challenge.

Despite being thrown in the deep end with a relatively short time frame to train in, Rosehill College displayed endurance and team spirit with their enthusiasm contagious to those around them. Leadership skills were put to the test through the week as each team member had to push their personal boundaries of resilience. Their outstanding effort in completing the Hillary Challenge can be best summed up by one team member's comment - 'Best week ever. A once in a lifetime opportunity! What an amazing sense of achievement and self-discovery'. Rosehill College will be back competing in the Qualifier on the 28th of June.

Rugby U69 Blue

First competition game for the team this week, playing Selwyn College at South Park. The boys started well putting 19 points on the board before fatigue let Selwyn College score on the half time whistle. Both teams intended to put things right in the second half, scoring a try a piece before Xavier Waters put it beyond doubt with a penalty kick. Final score 27-12. Try scorers Logan Howell, Joey Janssen, David Finnigan and Sam Bensemann. Player of the day, Lachie Kerr.

Chief's Trophy

The 1st XV boys finished their Chief's Trophy campaign last Saturday hosting Hamilton Boys High School 2nd XV in the final. A strong HBHS team were too much for the boys on this occasion showing skill in the wet conditions. Well done, our boys who should be very proud of their efforts for making the final.

Football 2nd XI Girls

Rosehill Tulips had a strong game this week against a spirited Aorere team. The girls went down early in the first half to a well taken goal. However persistent battling, especially from the girls up front (Maddie Hocking, Erin Wheeler, and Carol Mudoza), kept us in the game and eventually Maddie scored to even the game up. Beky van Tiel and Renee Faulkner ran tirelessly in the second half creating many opportunities and it was Beky that was able to stab one in to help the girls win 2-1. Well done Tulips, a great team effort this week.

Netball Umpiring

Papakura Netball Centre has offered local schools the chance to develop their umpires from Junior Theory to Junior Badge or from Junior Badge to Local Centre Award, which allows you to umpire up to Senior B level. Any students or parents interested in furthering their qualifications please contact us in the sports office on 295 0661 ext 844.

Rowing

Pre-season off water fitness for summer rowers will begin week 8, 9th June in the school fitness gym. Any rowers or interested students please sign up in the sports office as soon as possible due to winter on water training also beginning shortly on Saturdays or Sundays.

Badminton

The C Grade team defeated Pukekohe 5-1 with Jass Singh showing great composure to overcome his opponent in singles.

The A Grade team defeated Manurewa 6-0. Padthana Souriyavong played with accuracy and used the depth of the court to win his singles game; the team won both doubles games easily, 21-8.

FIFA U20 World Cup

This Saturday is the FIFA opening ceremony and the first game is between NZ & Ukraine. Brenna Yuksel will be a flag bearer leading out the teams while Breeana Findlay & Argyle Morling are 'ball-boys' on the side of the pitch during the game.
