Dropping off and picking up students

Would all parents and caregivers please avoid driving into the school's car park areas to drop off or pick up students before and after school, as it is unsafe to have cars driving through the grounds at those very busy times. Similarly, please don't stop or park on the yellow lines near our gates as traffic infringement notices may be issued. Drop students off or pick them up at some distance from the school – the short walk will be good for them!

From the Principal *Tena koutou katoa*

The School Ball takes place tomorrow night, and I thank the Events Committee, under Nick Oliver's leadership and Mrs Sharma's guidance, for all the work that has gone into the planning. The ball is a formal occasion and it is great to see the seniors dressed accordingly. I am sure that everyone will maintain their exceptionally high standards of behaviour, making the evening a pleasure for all. I do ask that parents or others who are collecting students from the ball are at the Ellerslie Event Centre by midnight. All students are released at midnight, and it is preferable that they don't have to wait in the cold, particularly as rain is forecast. Please do not wait for your student to text you – they will be ready to be collected at midnight.

Sue Blakely, Principal

Wednesday was Support Staff Appreciation Day, recognising the work done by our 42 Support Staff. While teachers are in the classroom, our Support Staff complete the myriad of other tasks that are required to keep the College functioning: supporting student achievement and pathways, preparing and managing resources for use in science labs, technology rooms, classrooms and the staffroom, organising sports teams and arts events, welcoming parents, caregivers and others to our offices, ensuring students are well and attending class, keeping the property and grounds in good condition and keeping the school's finances in order. A big thank you to all our hardworking support staff!

Rosehill College Representative on the Papakura Youth Council

Congratulations to Kritika Selach 10AKH for her selection as our representative on the Papakura Youth Council

School Ball

The School Ball is coming tomorrow night at the Ellerslie Events Centre. Ticket sales have ended and here are a few details to be aware of for the Ball. See page 4 for a map showing how to get to the venue. The Ball begins at 8pm when the doors open. At 8.45pm the doors close and no students will be admitted after this time so please ensure that your son/daughter is aware of this and that their transport to the Ball will have them there before 8.45pm. On arrival students will be directed to where our Ball is being held. Before entry to the Ball students' bags will be searched for contraband items; these include cigarettes, alcohol, drugs, chewing gum, mints or lighters. These items will be confiscated and disposed of. This is a school event and normal standards of behaviour apply; any student or their partner who attempts to enter the Ball under the influence of alcohol or drugs will be denied access and parents/caregivers will be called to come and pick them up.

Please note: The Ball finishes at midnight. Please ensure that transport is waiting for them at that time, do not wait for a text from your child advising that the ball has finished.

Review of NCEA

The Government is looking at ways to strengthen NCEA that will benefit all our young people. But they need your help to make it happen.

Over the next few months they want to hear from thousands of people across New Zealand from a range of backgrounds. Everyone with an interest in NCEA is invited to share their experiences and ideas. In English or Te Reo Māori, online or on paper, at workshops or hui, or through social media - you choose.

They want you to share your experiences of NCEA and suggest ideas for how we can make it stronger in the future. They want it to be easy for you to have your say.

Quick Survey

You could take their quick survey to tell them about your experiences of NCEA and how we could improve it for all our rangitahi.

B grade team beat Manurewa 4-2. Josh Gilmore and Abby Weeks struggled with their combination but still proved too strong, winning their doubles and singles games.
