My Target

My aim this year is to pass Level 3 and get UE to get into uni next year. As a leader I also want to win the cup back for Manutaki! I want to get into a Bachelor of Arts at AUT and major in Event Management, ultimately getting into Music Festivals and managing big music events across New Zealand and overseas.

My main focus right now is time management, I work and I have to balance that with school. I am on track for UE and I should probably get it next term because I am reasonably close to it. I only have two externals but I need to focus on my Stats external to get the 14 UE credits in that subject.

This week has been a busy one with the Hillcrest Sports Exchange on Tuesday, the Talent Quest on Wednesday evening and the School Ball tomorrow night.

Congratulations to all who played for the College against Hillcrest. While Hillcrest retained the shield, the games were close and good competition with good sportsmanship was enjoyed by all. Thank you to Mr Fraser and our Sports Department and the Sports Council led by Kourtney Waters for all the work they put in to make the day a success.

The Talent Quest was produced, under the guidance of Mrs Harrison, by Chhavi Breja and the Performing Arts Committee, who lent a classical heroes theme to the evening. The standard of performances was very high, making the judges' work harder in determining the winners. Thank you to all for a most enjoyable evening.

A big thank you to the Events Committee under Ben Sweney's leadership and Mrs Sharma's guidance for all the work that has gone into planning the School Ball to be held tomorrow night. It is always great to see our seniors dressed elegantly for a formal occasion. I am sure that everyone will maintain their exceptionally high standards of behaviour, making the evening a pleasure for all. I do ask that parents or others who are collecting students from the ball are at the Ellerslie Event Centre at midnight. All students are released at midnight, and it is preferable that they don't have to wait in the cold, particularly as rain is forecast. A map showing the Event Centre, near the Greenlane motorway off ramp, is at the end of this newsletter.

2016 TALENT QUEST

The Arts Committee put on a fantastic Greek themed Talent Quest on Wednesday night in our very own Performing Arts Centre. The range of talent was impressive and the audience had a great time being entertained by various arts and competitions throughout the night.

Congratulations to all that performed! The winners were:

1st Place - Danielle Sheriff - Vocalist

2nd Place - Nikita Knapman-Smith and Amy Duffell - Dance

3rd Place - Leila Foster

People's Choice Art Award - Nicole Xue

School Ball

The School Ball is coming up tomorrow night at the Ellerslie Events Centre. Ticket sales have now ended and here are a few details to be aware of for the Ball. The Ball begins at 8pm when the doors open. At 8.45pm the doors close and no students will be admitted after this time so please ensure that your son/daughter is aware of this and that their transport to the Ball will have them there before 8.45pm. On arrival students will be directed to where our Ball is being held. Before entry to the Ball students' bags will be searched for contraband items; these include cigarettes, alcohol, drugs, chewing gum, mints or lighters. These items will be confiscated and disposed of. This is a school event and normal standards of behaviour apply; any student or their partner who attempts to enter the Ball under the influence of alcohol or drugs will be denied access and parents/caregivers will be called to come and pick them up.

The Ball finishes at midnight. Please ensure that transport is waiting for them at that time.

Computers in Homes

This week we've begun Computers In Homes training with parents. The training involves basic computer literacy. It develops the skills to ensure parents understand how to use computer programmes and the internet to become more aware of the activities their children engage with online. We've completed 5 hours of the 20 hours training.

Digital Parenting Forum

Our fourth Parent Forum is happening on Thursday 30th June at 6pm. The topic of the evening - "Is my child happy? Friends and followers on facebook, instagram and social media" - investigates strategies for young people to manage their online relationships alongside their face-to-face relationships.

If you are interested in attending this Digital Parenting Forum with your child, please email Leanne Lamb (l.lamb@rosehillcollege.school.nz) to secure a place.

10 ENTERPRISE STUDIES MARKET DAYS

Market Days will be held Monday to Friday lunchtimes next week (Week 9) on the X Block veranda. These market days are being run by the Year 10 Enterprise Studies classes for their assessment. There will be a number of tempting items for sale as a result of these students' business planning. Watch for their advertising this week. Remember to bring your money.

Ngā Manu Kōrero 2016

Ko taku reo taku ohooho,
Ko taku reo taku mapihi maurea
Ko taku whakakai marihi,
He reo rangatira!

On Friday 17th June 2016 Kayne Lockwood (Speaker), Logan Ulberg, Isabel Te Paki, Angeline Cairns, Marcel Smith, India Johnson, Koka Lia and Whaea Nicolai attended the inaugural Manu Kōrero Regional Māori Speech competition. This auspicious occasion was held at Te Wananga o Aotearoa in Mangere. Kayne Lockwood was Rosehill College's Year 9 Māori student representative for the event and he stood with mana (pride). Kayne delivered his speech to an auditorium full of fellow competitors from different schools in the southern district of Tamaki Makaurau (Auckland), as well as a panel of 10 accredited judges. Kayne's speech was passionate, humorous and sincere having captivated the entire audience with his charismatic use of dialogue. Kayne has set the bar high and we look forward to attending the 2017 Manu Kōrero with more speakers to present and a bigger group of avid supporters.

HOLIDAY READING

Reading for pleasure is a key indicator of success for young people. It has an impact on how effectively they engage at school and in their wider environment. Research by Anne Cunningham and Keith Stanovich (Journal of Direct Instruction, Vol. 1, No.2, pp137-149) suggests that avid reading:

- Improves vocabulary development more readily than conversation or television. "The words used in children's books are considerably rarer than those used in the speech of adult television".
- Improves decoding skills. "Good decoders read a lot and have the best context for inferring new words"
- Improves general and practical knowledge that is relevant to living in the 21st Century.

Please encourage your students to visit the school library and issue books for the July holidays. The Rosehill College Library is committed to supporting student reading and literacy.

Each week, every Year 9 and 10 student is gauged against our school values by the teachers of English, Maths, Science, Social Studies and PE. Students who achieve the maximum possible marks for five weeks gain a Bronze Award. By gaining another five weeks of maximum values, students move from Bronze to Silver and so on.

The Manaakitanga awards indicate that these students are being consistently Respect, Responsible and Caring - or in other words are showing Manaakitanga.

Hillcrest Exchange

It was a big week this week with the Hillcrest Exchange taking place on Tuesday at Rosehill. There was a lot of tough competition occurring across all of the premier codes which was reflected quite clearly on the results board throughout the day. The Basketball girls fought hard for a well-deserved win against Hillcrest's competitive side. After a nail biting close game the girls walked away with a 39-28 win! In terms of Rosehill wins this was as far as it went for the day, however the Football boys had a strong game. The boys were up 1-0 at half time but the Hillcrest side stuck with it and managed to get a goal past us in the last 10 minutes making it a draw 1-1. The Football girls also had a back and forth game with the end result being 0-0 due to the strong defence from each team. Although our other teams didn't win their games this year they still demonstrated some great skill, determination and positive sportsmanship which is all worth being proud of at the end of the day. There is no doubt that Rosehill's returning players in 2017 will push harder for an overall win next year!

Badminton Hillcrest Report

The Hillcrest team boasted several NZ rep players and this strength certainly told in the end with our girls' and boys' teams losing 5-1.

There were highlights, however, with Joel Mansell taking his opposition to 3 games. He had the most badminton on the day due to winning the second game 27-25, but lost the third.

The top boys' doubles pairing of Josh Fu and Taine Naera complimented each other's style and won their game. Taine showed nice touch at the net, while Josh's smashes were unreturnable!

The girls had some close singles games. Arisa Nagaya was the only winner on the day but Charlotte Ritchie came within two points of forcing a third game against her opponent.

Our young girls team of two Year 9's, a Year 10 and Year 11 players are very inexperienced but have the potential to be a great team in the future.

The teams were:

Josh Fu, Isaak van Daalen, Taine Naera and Joel Mansell.

Haruka Nagaya, Charlotte Ritchie, Arisa Nagaya and Shannon Rountree.

Hockey Girls Win

A big congratulations to the 1st XI girls Hockey for taking out the Counties Secondary School competition against Pukekohe High School on Wednesday night. After Pukekohe scored the first goal in the opening 2 minutes of the game the girls knew they needed to step up and managed to come back 2-1 at half time after two outstanding goals scored by Rhiannon

Bates and Caitlin Dalrymple-Wilson. In the second half Melanie Edwards secured the win with a straight shot at the top of the circle, making it 3-1. The effort, team work and determination the girls showed throughout the game set them apart from the opposition, and in the end made them winners of this competition for the third year in a row. The team is looking forward continuing this form into the upcoming intercity competition.

Basketball U15 Boys

The boys had a strong start to the game this week with Pukekohe showing all the signs of wanting a win after they came head to head against Rosehill. The game was well played with strong attack and defense skills being demonstrated from both teams. However, even though the scoreboard was close at half time, our boys came back on court pumped and refreshed leading to yet another victory, remaining undefeated. It was also great to see more supporters for our boys. Week six score - Rosehill 57-24 Pukekohe.

Rhythmic Gymnastics

Congratulations to Year 9 Rosehill student Carlene Smith who has recently competed in the Invitational Counties Rhythmic Competition. Carlene competed exceptionally well, managing to secure a 3rd overall in Level 7 with 3 placings- 3rd in Rope, 2nd in Hoop and 3rd in Clubs! It is wonderful to see a young athlete so dedicated to competing in this sport, keep it up Carlene!
