

Rosehill College News

My Target

Next year I will be heading to the University of Auckland to do a conjoint in Computer Science and Commerce. At the moment I am running www.jagdogweb.com to increase my opportunities and to work in the area. Web development is definitely my passion.

My focus will be on my 210 rank score to get into the conjoint degree. Basically, that means focusing and getting Excellence this year. It has worked out so far with 21 Excellences - so I have 84 points toward my rank score.

My biggest challenge is keeping on top of everything including my leadership, business and school. The priorities pile up but I have been learning to balance and manage them.

Year 13 Student

MIT Trades Academy

The Trades Academy programme enables students to study simultaneously at MIT while at secondary school, achieving vocational credits towards both NCEA and their MIT qualification. This year we have 15 Year 12 and 13 students working on their NCEA credits at school and attending one or two days at MIT. The overriding goal is to keep students engaged by offering choices in the way they learn, and practical, hands-on learning experiences.

From the Principal *Tena koutou katoa*

Thank you Mrs Sharma, Ben Sweney and the Events Committee for an excellent ball last Saturday night. With nearly 500 students and staff attending, it was a large occasion that went very smoothly and was enjoyed by all. It is always a great pleasure to see the students dressed in their formal wear.

Next Friday is the end of Term 2 and the wet weather is likely to continue into next week. The school jacket is showerproof and students should also use an umbrella to stay dry when outside. The Hall is open for students to use at break times on wet days.

At last week's Board of Trustees meeting, Ian Alexander was elected as Chairperson and Helen Williams as Deputy Chairperson. Congratulations to both and they will provide strong leadership to our Board.

Sue Blakely, Principal

Year 11 and 12 Students Achievement Meetings

The second Student Achievement Meeting will be held in Term 3, Week 1 on Thursday 28 July for Year 11 and 12 students from 1.25pm to 6pm. This meeting will focus around progress on plans made in the Term 1 meeting, and the relationship to Subject Selection and pathways for 2017. Bookings should be made to meet with tutor teachers online via www.schoolinterviews.co.nz using Event Code d9hve.

Quota Community Champion Award

Do you know someone who has a physical, intellectual or social disadvantage but still meets the challenges of daily life 'head on'? Someone who puts others before themselves or is active and positive in their community? Someone who is an inspiration to others? If so, then think about nominating that person for the Quota Community Champion Award. This award honours young men and women who have faced difficulties in their lives and succeeded. To nominate someone contact Mr R McHardy, Head of Learner Support, email: inquiries@rosehillcollege.school.nz with details of the person. Nominees must be under 20 years of age.

ROSEHILL COLLEGE PRESENTS...

Each week, every Year 9 and 10 student is gauged against our school values by the teachers of English, Maths, Science, Social Studies and PE. Students who achieve the maximum possible marks for five weeks gain a Bronze Award. By gaining another five weeks of maximum values, students move from Bronze to Silver and so on.

The Manaakitanga awards indicate that these students are being consistently Respectful, Responsible and Caring - or in other words are showing Manaakitanga.

ISport Leadership Day

This week our Rosehill Premier Team Captains had the opportunity to go to the ISport Foundation's Secondary Schools Leadership day. There were a number of inspirational speakers including Netballer Temepara George, Sir John Walker, Dr Ralph Pim, world cyclist Jeremy Scott and the one and only Richie McCaw! Each speaker had great stories to tell, experiences to share and messages of leadership to send to all students who were listening intently. One of the main messages of the day came from Richie McCaw who said that while he was leading the All Blacks as captain he realised that "it's important not to worry about the pressure because it will exist in every game, it's about which team can deal with that pressure better that matters."

Badminton

The C grade won 6-0 against Otahuhu this week with Mei Kong having to play at number one due to withdrawals. She gave the opposition a lesson! It was also great to see Franja Soriano and Toni Balawan from the D grade step up and also win.

In the A grade the Renegades won 4-2 against James Cook and the Rosebuds drew with Alfriston 2 with a score of 3 all. Arisa Nagaya impresses with all her energy each week and won her games.

The Rangers lost 5-1 to Alfriston 1. Isaak van Daalen showed how much he is progressing with a good singles win.

Rhythmic Gymnastics

Carlene Smith has been at it again competing in the Auckland Secondary Schools Rhythmic Competition last week, placing 5th overall with some great scores from her performances. Carlene was competing in Group A which is one level below International and was up against girls from higher grades so did exceptionally well to secure her position. Below is a fantastic action shot of one of Carlene's leaps mid-routine.

Rugby 1st XV

The 1st XV had a tough game with some tough competition last Saturday. The boys played off against St Johns College who were a very skilled team and who walked away with a solid win. The weather was terrible, which made playing and spirit difficult to uphold yet the boys persevered!

Rugby League

Rugby League is getting up and running for 2016 with trainings being held on Mondays and Wednesdays at 4pm with Coach Kayne. If any boys are still interested in joining and potentially heading to Tournament week next term then please come and sign up in the Sports Office before Friday next week.

Art & Design Portfolio and Information Days 2016

During 2016 we are running a number of Art & Design Portfolio and Information Sessions. These sessions are designed for prospective students who intend to apply for our art and design undergraduate programmes.

These will be held on the City Campus on the following dates:

Tuesday, 19 April 2016

Tuesday, 12 July 2016

Tuesday, 6 September 2016

Students will be able to register for the April Portfolio and Information Day online now:
<https://www.aut.ac.nz/study-at-aut/study-areas/art-and-design-at-aut-university-auckland/events-folder/art-and-design-portfolio-and-information-day>

Application/Portfolio Submission Deadline is Friday 30th September 2016

Although we will continue to accept applications until all places are filled (up to the start of Semester 1, 2017), those who submit their full applications, including a portfolio of work, by September 30 2016 will be prioritised. Applications received after this date will only be considered if there are places available and upon meeting all programme entry requirements.

For further information on these days, please contact Art & Design Student Central
p: (09) 921 9999 ext. 9663, e: artbox@aut.ac.nz

The Careers Coach will be at Rosehill College Monday 4th July
26 interactive kiosks with information on careers and pathways
Students not allocated time during class are welcome to visit at lunchtime
