From the Principal *Tena koutou katoa*

In assemblies this week, I noted that these last weeks of term have a focus on academics. Congratulations to the 70 students who have gained all their credits to date this year at Merit and Excellence and were acknowledged in the assemblies. I encourage all students to aim for their best grades in their remaining standards this year. See below for a full list of names

As in many organisations winter colds and illnesses have hit both students and staff. We are grateful to have a pool of relievers to call on, but we have also had to ask teachers to relieve for colleagues during their preparation and marking time. Thanks to all these people and to Mrs Aitchison who organises the relievers' timetables for keeping teachers in front of our classes. I reminded students that keeping our school values in mind shows our relievers that we live by Manaakitanga, Respect, Responsibility and Caring.

The Year 11 Drama assessment performances showed the emerging talents of the students in the two classes. Our Senior Art Exhibition showcased the excellent work being done in the different art media. It is always a pleasure to see student work presented to the wider community.

NAMING GEAR

We get a lot of uniform and non-uniform items handed into the student office – some very expensive and all too frequently a charity ends up benefiting as students don't collect them! PLEASE ENSURE that all items brought or worn to school are NAMED, so that lost items can be returned to the rightful owner.

BORROWED/DONATED UNIFORM ITEMS

Through the kindness of a few parents, some uniforms have been donated for students to use in the case of emergencies. At the moment we have good stock, however, we would greatly appreciate any donations for the following items...

Junior Girls Skirts * Socks * Junior Boys Shirts * Large Boys Shorts

Many thanks for your contributions!

Together we create an environment for personal excellence

Safety Message

If your son/daughter is staying after school for a co-curricular practice and they are to walk home, please remind them to be extremely safety conscious - walk with someone else, preferably in a group, keep to well lit areas and paths. Avoid going through Kirk's Bush as it is not well lit.

Ex Student Wins Gold

Ex Rosehill College student, Kyle Page, won a gold medal last weekend in the International Culinary College Competition held in Hong Kong, representing New Zealand.

Kyle, now 21, is at Weltec in Wellington, a NZ culinary institute studying to become a chef. He was selected as one of the top two students to represent them in the international culinary competition which NZ has won twice already. Kyle and fellow student, Nathan, were up against the top student chefs in the world with many of these students working and studying in Michelin restaurants.

Though they didn't win overall they outdid themselves by winning the best dessert section. Well done Kyle!

40 Hour Famine

Thank you to those that participated. Booklets and money raised are now due back to the college, for transfer to World Vision. This year, World Vision is supporting the Syrian Refugee Crisis. Please return all booklets and money to the cashier by the end of term.

Rugby

Rugby Girls 1st XV

On Monday our 1st XV Girls played against Pukekohe High School. They played hard and, despite a couple of injuries, our girls performed with high spirits. The final score was 38 – 27 to Rosehill. Good luck to our 1st XV Girls who will be playing in the final this Monday. Congratulations girls you have done an awesome job this season so far and a big thank you to Miss Ono for her help and assistance.

The try scorers for Monday's game were Emily Kitson, Jovina Auva'a, Madisen Matekeua Fiu-Loimata, Utumalama Atonio and Lavinga Ranga.

U14 Open Boys Rugby

Our boys played against Papatoetoe High School on Saturday 24th June. They played an awesome game with only 15 players and no reserves. The boys played hard right through both halves and in the end won the game. The final score was 22 - 7 to Rosehill; what a great game. Best Forward was Michael Kong, best Back was George Way and the Player of the Day was Snow Sagatu-Hepi.

U70kgs

It was a Counties clash when we met Pukekohe High School at South Park on Saturday 24 June. We kicked off with the wind at our backs and within minutes Ethan Halton drew first blood, running hard to bust the PHS line and score our first try. The boys played a good territorial game and when they were awarded a penalty on the five-metre line, they set up a drive which Braydon Dragicevich dotted down to finish off. The pressure was telling on PHS and when they attempted to kick out of trouble, they kicked straight into it. Xavier Waters caught the ball on the 22, before fending off two defenders and adding his own try to the penalty goal he had slotted earlier in the game.

In the second half we played into the wind and had patches of heavy rain. The team adjusted to suit the conditions, maintaining possession with good support play. Their hard work was eventually rewarded when Josh Lentner crossed the line to score. The arm wrestle continued for the remainder of the second half and in spite of PHS's best efforts, we held them scoreless. Final score was 23 - 0 to the boys from the Hill.

A great game from all and well done to Josh Lentner for Player of the Day. Our final game before the holiday break is against McLeans College at their place. That promises to be another great clash. Our boys will no doubt rise to the occasion.

Thank you to our sponsors – TransDiesel, Dragicevich Contractors, Southpaw Painting and Decorating, NZ Hothouse and Hampton Downs Karting

Gymnastics

Carlene Smith has competed in two competitions so far this season, these being Auckland Championship held by Xtreme where Carlene came 2nd in rope and clubs, 3rd in ribbon and 4th overall and Counties Manukau Invitational where Carlene came 2nd in ribbon and 5th overall. Carlene also competed in the Grade 5 Group where they came 3rd overall.

Carlene has had a rough start to the year as she is recovering from a meniscus tear. However her knee appears to be improving and we are hoping this will start to reflect in her results.

Football

The boys played Otahuhu this week at Rosehill, a team that beat us in the second match of the season. Not having seen them play for 3 weeks the team's sharper ball handling and structured mid field play was a surprise. Having survived some early aggression from the opposition, it was not long before the Rosehill team scored the first goal. Coming back from a loss last week to Strathallan, the team was leading at half time 3-1. The game continued in the same vein with Rosehill dominating but Otahuhu dangerous and threatening frequently. This highlighted an excellent performance from our keeper and gave Rosehill the winning result of 6 - 2. A really good effort by a really good group of boys.

Basketball Girls

This week's game against the Seven Day Adventist team was a very physical game. We didn't expect it to be such a challenge. The final score was 36 - 23 to Rosehill. Once again a big thank you to the supporters and the helpers on the score bench.

Football 2nd XI

Strathallan has racked up an impressive 32 goals with only 3 scored against them in 6 unbeaten games. The players are all seniors and this is their only girls team. They were pretty confident of another win today but it didn't happen. Frankly, they were a more skilful team but Rosehill girls kept the pressure on them and made all their shots at goal go wide. Their goal was an own-goal by us (oops!) but Harneet scored a goal for us soon after, so although the final result was a 1 - all draw, Rosehill 2nd XI can be proud that they are the only team to have stopped Strathallan scoring any goals (awesome work Renee!), and the only team Strathallan haven't beaten.

An outstanding effort girls, you played your socks off today and there was some excellent team work. Loved the way the defence blocked the opposition from getting a clear shot (so many shots forced to go wide by Gurleen and Charithma, and a couple of awesome slide-tackles from Paige), the mid-field challenged for the ball and sent it through to the forwards, and the strikers had several good cracks at goal (just unlucky not to go in).

It was an exciting game to watch and you were just so unlucky not to have got a clean win. Next round, you'll take them!!

Hockey

Rosehill won 2 - 0 against Pukekohe high School on Wednesday night. Melanie Edwards and Caitlin Dalrymple-Wilson scored the goals for the team which gave us the opportunity to win the Counties Competition for the fourth year in a row.

Thank you to AJR Electrical for their generous sponsorship to Rosehill College Hockey again this year.
