## Examination Study

The trick is to move knowledge from short-term memory to long-term memory. If it's not moved it is lost.

Information in the long-term memory will come to mind while sitting in the exams.

- Make study notes.
- Revise within 24 hours.
- Read, Memorise, say the notes aloud.
- This repetition sends knowledge to the long-term memory.

## Dates to Remember

### Monday 22 August

Parent/Subject Teacher interviews - 2.30pm to 6.00pm  
Student Trustee Nominations Open

### Thursday 25 August

Staff Only Day

### Friday 26 August

Mid Term Break

### Wednesday 31 August

Student Trustee Nominations Close

## The Cashier's Office

The Cashier's Office will be closed Thursday 25th Friday 26th August 2015.

Together we provide an environment for personal excellence

## From the Principal *Tena koutou katoa*

The Parent/Subject Teacher interviews were well attended yesterday afternoon, and I look forward to seeing more people at Monday's session. There is still time to make appointments for Monday.

We will be having a Staff Only Day next Thursday, 25 August and a Mid-term Break on Friday 26 August. This four day break is a chance for students to get over illnesses that have been around and for seniors to start preparation for their practice external exams in Weeks 7 and 8.

At this time of the year, we start looking towards 2017 and next year's student leadership positions. Nominations for the Student Trustee open on Monday until Wednesday 31 August. Students standing for election will speak in the Principal's Assemblies in Week 7.

*Sue Blakely, Principal*

## Senior Exams

Senior exams are from 8 to 16 September. In the Term 3 exams we have a focus on external standards and subjects that are fully internally assessed may not have an exam.

This week students have been looking at their exam timetable and have been seeing Ms Buist if there are any exam clashes. There are two exam sessions per day. The morning session starts at 9 am and the afternoon session starts at 1 pm. If a bus student has a 3 hour exam in the afternoon, they will have to make their own arrangements to get home after that exam.

The [Senior Exam Timetable](#) can be found using the link or on the School Website under Events

## Computers In Homes

The Computers In Homes programme is an initiative of the 20/20 Communications Trust which aims to bring digital skills into the homes of all New Zealand families with school-aged children. Rosehill College partnered with Computers In Homes for the first time in 2016 and was able to offer reduced price computers and internet access to families who do not have a family computer at home.

Families committed to 20 hours of training in basic computer skills and internet safety. Rosehill College students, Stephanie Parker and Mirinoa Tua, volunteered to become Community Trainers and shared their digital skills with the parents who attended the training from June until August.

The families who completed the training were keen to improve their own digital skills and be able to gain internet access at home so that their children could complete online learning at home. On the 15th August, four families attended the graduation ceremony for Computers In Homes at Rosehill College and were presented with certificates from the Principal, Sue Blakely, and their Computers In Homes computer from the Manurewa-Papakura Regional Coordinator, Jo Hampton.

## BOT Election for Student Trustee

*Be involved and have your say.*

Any student returning to school next year can stand for the position of Student Trustee on the BOT for 2016/17. Students can stand for the BOT as well as standing for other leadership positions such as Head Student or House Leader. Nominations open on Monday 22 August and close at 3.20pm on Wednesday 31 August at 3.20pm. Nomination forms can be picked up and returned to the Student Office. See page 7 for timeline details.

More information on student trusteeship can be found at [www.nzsta.org.nz](http://www.nzsta.org.nz) and put Student Trustee Handbook in the search box.

## Baby Beanies

Taryn Wiggin 12AHR has been making baby beanies that will be donated to the Papakura Maternity Hospital and is in need of more material. If you have any ribbing or soft stretch fabric suitable for babies, she would be very grateful. The material can be dropped off at the school's Front Office.

## English Tutorials

Level one English tutorials for upcoming examinations will be held on Wednesdays after school 3.30 - 4.30 in room F4.

## Hungry Children

Poverty is an issue all too common in South Auckland today. Too many children in your town are going hungry, and too many people are not helping when they could. Children at our school are going hungry. What if this was you, and no one tried to help? So what are you going to do about this?

Our Year 12 Social Studies class are doing our part to help by collecting non-perishable items and personal hygiene products to donate to the Papakura food bank. We will be going around collecting from tutor groups each morning. The tutor group that brings the most will win a prize for the whole class. Will you do your part to donate to our cause?

## Community Consultation 2016

We are conducting a consultation with our community prior to reviewing our Strategic Plan.

We have developed a survey based on the recent public consultation on the Education Act 1989 which took place at the end of last year. That consultation identified the following seven most frequently mentioned goals for education:

- Student success and achieving individual potential
- Preparation for work and future life
- Connection to others and good citizenship
- Resilience, determination, confidence, creativity and critical thinking
- Being inclusive of all students
- Valuing cultural knowledge and identity, recognition of the Treaty of Waitangi and Te Reo Māori
- Social skills and the ability to form good relationships.

A link to this survey will be emailed to you in the next week. Please respond – your thoughts are important to us.

We are holding a focus meeting on Saturday 3 September from 9.30am to 12.00 noon, and we would welcome your attendance and contributions to the discussions. If you intend to present at the focus meeting, please email [inquiries@rosehillcollege.school.nz](mailto:inquiries@rosehillcollege.school.nz)

## GROUP PHOTO ORDERS by 9 September 2016

By Monday if your student had a group photo taken, they should have received a 'Shoot Key' from their Tutor Teacher. Using the unique code photos can be ordered online. There is a small supply of order envelopes at the Student Office if you would rather order that way.

## Park Sport

Auckland Council are running a 4 week block of 'Park Sport' during August where they will be going into Marybeth Reserve twice a week Tuesdays and Thursdays from 3.30pm - 4.30pm

Each week they will be bringing in different sports equipment and facilitate games for the kids. This is an all ages event.

Each week, every Year 9 and 10 student is gauged against our school values by the teachers of English, Maths, Science, Social Studies and PE. Students who achieve the maximum possible marks for five weeks gain a Bronze Award. By gaining another five weeks of maximum values, students move from Bronze to Silver and so on.

The Manaakitanga awards indicate that these students are consistently Respectful, Responsible and Caring - or in other words are showing Manaakitanga.

## Bronze Award Recipients

Summer Henry  
Anais Karrasch

Avishek Narayan  
Lavinder Singh

## Silver Award Recipients

Seth Booker  
Liam Carter  
Grace Fomai  
Maui Holo'ia  
Kirsten Horscroft

Katherine Lewis  
Declan McGarry  
Jonathon Moffatt  
Wairua Peel  
Faith Tegg

Madi Tegg  
Brandon Thomas  
Anna-Maria Va'a

## Gold Award Recipients

Georgia Ackroyd  
Nathan Collins  
Lachlan Grant  
Jason Joubert

Cameron Penrose  
Joel Stewart  
Thomas Taka-Simms

### Rhythmic Gymnastics

Carlene Smith who competes in Rhythmic Gymnastics was focused on the Xtreme Rhythmic North Shore International Competition last weekend in which she had a good outing against the Australian's, coming 3rd overall in level 7. Her apparatus placings being 3rd in Rope, 3rd in Clubs and 2nd in Hoop. Unfortunately, Carlene's Ribbon routine did not go to plan but placing 3rd overall is an awesome achievement to be proud of!

### Netball Premier Silver

Congratulations to the Premier Silver Netball team for taking out 1st place on Wednesday night against Alfriston College! After being down by one goal at the end of the third quarter they dug deep to take the win 28-24. The Premier Silver Team would like to thank all of their supporters this season whether they be family, friends, "boyfriends club" members, or fellow Rosehill teams - your support was greatly appreciated!

### Rosehill Raptors Basketball Club

The Rosehill Raptors Basketball Club got off to a great start last week on Thursday 11th August with lots of new wee faces coming along to register and give our free Basketball programme a go. We had a fantastic turn out from many local schools in both the year 5-6 and year 7-8 age groups, with all participants eager to get started learning some new skills.

There are more spaces available in our programme so if there are any other eager friends or participants out there then bring them along to register on the night for our next sessions from Thursday 25th August-Thursday 22nd September.

Last Thursday Coach Tim and our student coaches covered Lay Up's as the main skill followed by Dribbling and a mini practice game. This Thursday they covered footwork and shooting. These important skills for Basketball were broken down into some fun activities and drills to help our young Raptors get the hang of it before they put it all into practice on the court against their peers and coaches. Check out the awesome photos below to get an idea of the cool tricks everyone learnt.

### Bowls

Congratulations to Jakeb White who is heading off to Wellington on 26th August for the New Zealand Junior Indoor Bowls Singles. He is also lined up to represent Rosehill College this same weekend at the New Zealand Secondary Schools Indoor Bowls championships! Good luck Jakeb we wish you well!

**Saturday, 27 August 2016**

**9am - 3.30pm**

**The University of Auckland City Campus**

Courses and Careers Day is the University of Auckland's annual open day and your opportunity to experience what it's like to be a student at New Zealand's leading university.

Whether you know exactly what you want to study, or are yet to make up your mind, Courses and Careers Day is your chance to explore study options and career opportunities.

Attend lectures, take part in workshops, meet and talk to our staff and students, ask all your questions, tour our facilities and student accommodation, see performances by our current students and clubs, and experience life on campus for yourself.

Check out the [full programme](#), [plan your day](#) and [register for one](#) of our free buses.

We're looking forward to meeting you and your whānau & friends on campus!

### Art & Design Portfolio and Information Day

Tuesday 6 September 2016

City Campus

Interested students are advised to register for the evening on the AUT: [REGISTER HERE](#) <http://goo.gl/uym4zb>.

## ENGINEER HER FUTURE

Information evening for Year 10-13 girls

Faculty of Engineering, The University of Auckland

### Invitation to attend the 'Engineer Her Future' information evening

The Faculty of Engineering would like to invite year 10-13 girls and their parents/guardians to Engineer Her Future, an evening to meet female engineers, find out what engineers do and how their work makes a difference to our futures. There will also be a chance for questions and mingling with current students for refreshments at the end of the evening.

#### Event details

Date: Wednesday 21 September, 6.30-8pm

Venue: Lecture room 1.401, Faculty of Engineering, 20 Symonds Street, Auckland

[Click here to register by 16 September - this is essential and spaces are limited!](#)

If you have any queries about the event, please contact Amanda Clinton (Women in Engineering Adviser) via email or phone (09 923 8606).
