From the Principal *Tena koutou katoa*

Senior exams finished today, and students should reflect on their preparation for the exams and how they felt about their performance in the exam room. It is critically important that our senior students make good use of the feedback they will get from the marking of these exams, and do their best to improve their revision process ahead of the external exams in November. Students have 22 school days and two weeks of holiday before the NCEA exams. 15+ credits in each subject has been the goal for all seniors this year, and students should be taking all opportunities to ensure they meet this goal.

Sue Blakely, Principal

Senior students have been advised that applications for school-awarded scholarships are now open. These awards include the Rotary Club of Papakura Scholarship which closes on Thursday 19 October, application forms are available from the Careers Office. The Jerkovich Trust Award, Paul Gough Financial Scholarship, Rosehill College University Study Scholarship, Rosehill College National Youth Drama Scholarship and The Cathy Gilmour Memorial Scholarship close on Friday 29 September. The criteria and application forms for these scholarships are available on the Student Hub.

Te Roopu Awhina Whanau Hui

Nau mai, haere mai

Rosehill College would like to invite Maori whanau to a hui on Wednesday 27th September, 6.30pm at the whareniui "Moemoea" (Rosehill College).

The kaupapa for our hui is to meet and celebrate our Maori Staff and Maori Student Leaders.

All whanau welcome, please spread the word.

Senior Clearance and the School Magazine

Clearance time is almost here. Senior clearance will be held on Tuesday 24 to Thursday 26 October. For your son/daughter to be eligible to receive a 2017 school magazine, all subject and sports costs and the school donation must have been paid in full, unless an automatic payment is operating and all costs are paid in full by the end of Term 4. Rosehill College can now accept payment by credit card at the Cashier's office and the Resource Room.

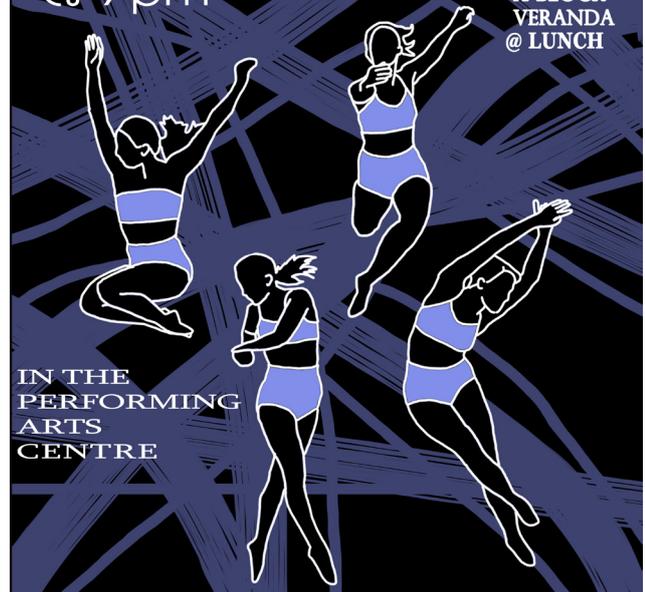

Although the school donation is voluntary, the Board of Trustees requests that you give serious consideration to paying this if you have not already done so, as it provides for many things not covered by the government grants that we receive. For example, the school magazine is fully paid for from parent contributions and cannot be purchased.

Daylight Saving Time Starts 24 September 2017

A reminder that Daylight savings starts at 2:00am Sunday morning. Clocks are turned forward 1 hour.

Dropping off and picking up students

Would all parents and caregivers please avoid driving into the school's car park areas to drop off or pick up students before and after school, as it is unsafe to have cars driving through the grounds at those very busy times. Similarly, please don't stop or park on the yellow lines near our gates as traffic infringement notices may be issued. Drop students off or pick them up at some distance from the school – the short walk will be good for them!

PROCEDURES FOR UNWELL STUDENTS

If you receive a txt or phone call from your child saying they are unwell please...

- Tell them to go to the nurse first before you come to the school
- The nurse will assess the student
- Then she/he will contact the parent/caregiver if the student needs to go home.

We have systems in place to best manage this and the safety of students can be compromised if they txt family instead of following our procedures.

Your support in this would be much appreciated.

Together we create an environment for personal excellence

PROCEDURES FOR VISITORS TO THE SCHOOL

If any member of the public, whether parent, caregiver, grandparent, tradesperson or supplier etc., wants to come into school to see either a member of staff or a student at the school, there are procedures that need to be followed. Please:

1. Make an appointment to see whoever it is you want to meet with. Teachers are generally best contacted by email to arrange an appointment. All the school email addresses are generic – firstinitial.surname@rosehillcollege.school.nz. If you are not sure of an email address please contact the main office on (09) 295 0661 extension 0 and they will help you.
2. When you come into school make sure you sign in at Reception, just inside the main front door.
3. Please ask for a visitor's sticker, if it is not given automatically, which you must wear at all times whilst you are on school grounds.
4. Remember to sign out when you leave.

Your support in this would be much appreciated.

Swimming

Well done to all swimmers that attended the NZ Secondary Schools competition in Hamilton last week.

There was some pretty tough competition across all age groups, with 560 swimmers competing from around New Zealand over three very long days.

All of our swimmers achieved personal best times and improved in their rankings. Zoe Shuker narrowly missed qualifying for the next Nationals by .85 of a second in her 400m freestyle but still gaining a very credible 11th placing.

Caitlin Lucie-Smith, although competing in the 16-19 years age group, came out with five top ten placings within the 16 year olds.

They were a great team to lead and represented Rosehill College with enthusiasm, pride and good sportsmanship.

Many thanks to the parents and families that assisted and came to support the team.

Left to right: Zoe Shuker, Holly Owen, Quinn Lawton, Caitlin Lucie-Smith, Anita Vongkhamdy.

Rugby League Boys

On Wednesday afternoon Rosehill beat Wesley College 38-36 in the Grand Final of the Franklin District competition to become the 2017 Franklin District Premiers.

TJ, the coach, has put in a lot of work with our boys (some of whom have never played league before) to get to where they are today. They thoroughly deserve what they've achieved.

Sports Photos

We are currently waiting on the sports photos to be delivered. Once we have received these the Sports Centre staff will start distributing these to those students who paid for photos earlier in the term.
