## Term 4 Week 2 – It's best to revise little and often

NCEA External Examinations start Week 4 Friday 6 November.

Junior Examinations start Week 5, Thursday 12 November.

### DETER

In the examination:

- Directions** Read, understand and note the instructions.
- Examine** Look through the papers and know what has to be done.
- Time** Work out how much time can be spent on each part.
- Easiest** Do the easiest questions first leaving the harder ones until the brain has warmed up.
- Review** Leave time to go over at the end to check that everything has been done.

## Year 13 Leavers Ceremony

Save the Date: Friday 4 December 6 pm-7:30 pm

Tickets will be going on sale next Tuesday for the Year 13 Leavers' Ceremony. The intention is to have a ceremony to celebrate student who have stayed to complete Year 13 and then to allow student and families their own personal celebration. Tickets are \$15 and payment will need to be to the Cashier by Friday 30 October. Tickets will be issued closer to the event.

## From the Principal *Tena koutou katoa*

Welcome back to Term Four! It will be a very busy term with seniors having only two and a half weeks of school left before their NCEA exams, juniors with exams as well, and the beginning of major celebrations of students' achievement starting next week with our Pasifika and Maori Awards evenings. The dates for the upcoming events are listed in this newsletter.

Next Wednesday 21 October, classes will finish at the end of period 3, 12.35pm, as the PPTA have convened a paid union meeting that afternoon. Murphys Buses will run at 12.35pm, and Waka Pacific buses will operate at the normal time of 3.20pm. While classes will not be held, students may remain at school for study and should meet in the Hall at the end of period 3, from where they will be allocated to supervised study rooms.

Last night it was a pleasure to welcome parents and staff from local primary and intermediate schools who attended a presentation by Kidsafe about keeping their children safe in an online environment.

*Sue Blakely, Principal*

## China Music Tour - September 21st - October 2nd

It is so hard to put into words the experience of a lifetime that was our trip to China! Our Tour Party, of 29 amazing students and 10 wonderful adults, did Rosehill and New Zealand proud, and all of our school and public performances went extremely well. In particular, the New Zealand waiata, haka and the ti tira presented, capped off with a resounding version of "Lord of the Rings", delighted our audiences!

We experienced sights, sounds and smells of never before, and we came away astounded by the ancient history of China, the Great Wall of China, the Terracotta Warriors, the Chinese music and shows, the Forbidden City, the Summer Palace, the dragon boats, the rickshaw rides, the bartering in the markets, the calligraphy, Tai Chi in the park, the flavoursome food, the bullet train.....

Huge thanks to: the families of the Tour Party for your unceasing support; to the six parents who came on tour; (Mr and Mrs Beever, Mrs Bertram, Mr Child, Mr Parsons and Mr Poharama); to Mr McConchie; and to Mrs McConchie for all of our meetings, etc, etc!

And to my 29 tour band members - we did it! After the days and weeks of rehearsals, it was so worth it and such a pleasure to have created those special memories with you.....

Year 13 students who plan on tertiary study next year are strongly encouraged to apply for their Student Allowance or Loan by **16 December**. Applying by 16 December means StudyLink can get everything sorted so that the student receives their funding from the start of their course.

Students don't need to have their NCEA results or have locked down all their plans in order to apply. Their application can be updated as things are confirmed. It's more important to allow enough time for all the steps in the application process to be completed.

Students can find out more about applying for a student loan and allowance on the StudyLink website - [www.studylink.govt.nz](http://www.studylink.govt.nz)

## Get your transport and logistics career moving with Toll

Have you ever considered a career in the logistics industry?

Moving resources and products around the world is critical to domestic and global economies, and impacts our daily quality of life. A career in logistics can be varied and rewarding, offering you plenty of opportunities and world experiences.

At Toll New Zealand we offer a 2-year cadet program that can get your career in logistics underway.

Toll Group is the Asia Pacific region's leading provider of logistics services, employing approximately 40,000 people across 1,200 locations in more than 60 countries. In New Zealand our operations comprise a suite of transport and logistics services. This means as a cadet at Toll you get the opportunity to experience career opportunities in Freight Forwarding, Parcels and Logistics services.

Throughout your tenure you'll be budded with a team leader or supervisor, who will mentor you throughout your time with us. On completion of the program you gain a NZQA Level 2 & 3 Distribution and Logistics qualification.

So if you're looking for a rewarding career and to be part of something big, contact Toll New Zealand HR coordinator on 09 928 9350 or email [Toll.HumanResources@tolgroup.com](mailto:Toll.HumanResources@tolgroup.com)

### Chad Beets

Operations Supervisor and cadet program graduate, Toll Parcels Auckland

Chad joined our Auckland domestic forwarding operation in February 2012 as a cadet, straight out of school.

Chad completed rotations in all the Auckland branch's functional departments and, at one point, had his eye on a sales career.

However, he also developed a liking for freight operations during his rotations. So when an opportunity came up in June 2013 for an afternoon shift supervisor at our New Zealand's parcels business, the company quickly approached Chad and offered him the role.

### Chad said,

“Through the Cadet Program I've had the pleasure of working in many different divisions and built key working relationships. This has helped me to be successful as a supervisor with Toll New Zealand - parcels.”

## PAPAKURA POOL OFFICIALLY OPEN

The official opening of the Papakura swimming pool on Saturday, attracted a large attendance. The ceremony was performed by the Mayor, Mr I.J. Mack, M.B.E.

Mr. C.D. Milne, president of the Papakura Swimming Club, extended a welcome to the Mayor and Mrs. Mack, Mrs. Somervell, whose late husband had done so much in the early stages of the foundation of the movement to obtain a pool, and Mr. B.C. Simpson, President of the Auckland centre of the New Zealand Amateur Swimming Association.

swimming.

Mr. Milne expressed the Club's appreciation of the assistance received from the staff of the Borough Council and expressed thanks for all that they had done. He added that the Club's season would conclude on March 31 and the Prize Giving Ceremony would take place on April 14.

Mr. C.R. Chadwick, of the Pool Project Committee presented to the Club the spade used by the late Mr. Somervell to dig the first sod for the baths.

The proceedings commenced with a synchronised swimming demonstration followed by an exhibition of swimming strokes by Empire Games nominees.

The official proceedings started with Councillor D.Milne, on behalf of the Papakura Borough Council extending a welcome to visitors.

The Mayor asked that before the swimming championship programme commenced Mr. Derek Somervell and Miss Shirley Somervell, son and daughter of the late Councillor Somervell be the first to dive into the pool and have a brief swim.

This ceremony brought prolonged applause and was considered a fine gesture to one who had done so much for the foundation of the pool.

Patrons enjoyed a very interesting programme, the afternoon being interspersed with Mr. Bob Jolly as the Rotary Club team manager being thrown into the pool in the traditional Rotary manner after a relay race.

The results of the swimming contest will be on Page 8.

In 1958 Papakura Rotary Club formed a committee to build a pool at Massey Park and, with assistance from the Borough Council and others in the district, brought its plans to fruition in late 1965.

A public meeting was at the Papakura High School on Thursday the 21st of October 1965 with a view to forming a Swimming Club. It was attended by 56 people plus representatives of the Council and Rotary. The meeting decided that a Club should be formed and a committee was elected

The Papakura Swimming Club commenced swimming in the newly built pool in the December prior to its official opening by the Mayor Mr. Mack on Saturday the 12 of March 1966.

The Club President was Mr. C.D. Milne, the Secretary/Treasurer was Mrs. L. Gubb and the Chief Coach was Mrs. A. Small.

Fees were set at 25 shillings for senior members (over 16), 14-16 were 15 shillings, and under 14 were 12 shillings and 6 pence.

The club night was on a Thursday between 6-9pm. By February 1966 swimmers were training on 6 mornings per week.

Mr. C. R. Chadwick of the Pool Project Committee agreed to supply lane ropes to the value of 100 pounds

The Club was formed primarily to teach people to swim and secondly to raise the standard of swimming in the district.

The Club affiliated to the Auckland Centre.

The first AGM of the Papakura Club was held on the 16th of June 1966; Mr. D. Anderton was elected as Club President., and Mrs. L Gubb the Secretary.

At the meeting in November the club had 298 pounds in the bank with which to start the new season.

A sub committee was formed to "go into this business of Incorporation".

The club held a Carnival with the Pakuranga club on the 15th of December; the trophy was to be a silver spade.

There was disagreement with the Auckland Centre over the proposal to levy all club swimmers 1 pound each to help finance the New Zealand Swimming Association.

Papakura considered that it hit against the clubs learner swimmers who they were trying to encourage. They proposed that a levy should be placed on Carnival entry fees instead.

Mr. Anderton was appointed as the Head Coach with assistance from Mrs. Small.

The Club applied to the Registrar of Companies for the club to become an Incorporated Society.

A committee was formed to raise funds for a club house, already \$410 in the Building fund.

Papakura Council was asked to provide concrete seating along the pool fence.

The March committee meeting decided that tenders should be called for the building of the proposed club rooms. The Building fund now stood at \$850.86.
