Eric Jerkovich
18/02/26 - 05/11/2017

Eric Jerkovich was the founding Principal of Rosehill College. He was appointed Principal of Papakura No. 2 Post Primary School in August 1969, but continued to teach at Otorohanga College until the end of the year. On 3rd February, after much hard work and wondering if all would be ready, Mr Jerkovich welcomed the first 176 students and 8 other teachers to Rosehill College. The assembly was held outside B Block, as it was the only concrete area.

The original motto of the College was "Resolution". Firstly, the College was formed in the 1969, the bicentennial of the first visit to New Zealand by Captain James Cook, one of whose ships was named Resolution. Secondly, the meaning of the word "resolution" is such things as determination, self-control and strength of purpose – attributes that are desirable in our students. Mr Jerkovich outlined what he wanted for his students in his report at the first prizegiving, which was also the official opening of the school, in December 1970:

From the Principal Tena koutou katoa

Congratulations to all those Year 11, 12 and 13 students whose impressive achievements throughout this year were acknowledged in Tuesday's Senior Prizegiving and Wednesday's Year 11 Prizegiving. Special congratulations to the Senior Scholars and to Navjoben Singh, the winner of the Dux award. Congratulations as well to this year's Head Students for their excellent speeches to the Senior Prizegiving, and thank you to Dhruv Behal who addressed the Year 11 Prizegiving. The Head Students for 2018 were announced and acknowledged by a resounding haka from this year's student leaders. My thanks to our staff who put in long hours preparing for these prizegivings, and to those who worked behind the scenes on the night to help make it a success.

It was with great sadness that we learnt that our founding Principal, Eric Jerkovich, had passed away last Sunday. Mr Jerkovich was the first Principal of Rosehill College, from the College's first day on 3 February 1970 to his retirement in 1984. Since his retirement, he maintained close ties with the College, and attended every prizegiving up to last year. He had a clear vision for his school, which is the foundation of the College we are today.

Best wishes to seniors for their NCEA and Scholarship exams which began yesterday.

"That we learn the importance of hard work so that we do our best in academic, sporting and cultural activities. That we act as responsible people, that we are honest and courteous, and that we respect others and their property.

"We want our students to form the patient, solid and unglamorous habits of volunteering to help, waiting their turn, controlling their temper, tidying up afterwards, taking the blame, undertaking responsibility, looking for no rewards, being proud of the school, picking up people's litter, discouraging loutishness, fulfilling obligations, accepting the disciplines of cleanliness, dress, courtesy, moderation and respecting knowledge and experience. Notice that I have set no impossible goals – everything that we seek can be achieved by everyone".

Our current Mission Statement "Together we create an environment for personal excellence" and our values of Manaakitanga, Respect, Responsibility and Caring continue what Mr Jerkovich set down for his school. Each year at Senior Prizegiving, the Jerkovich Trust Awards are presented to two students who exemplify these characteristics. The awards are the prestigious awards for all-round excellence at the college. As well as demonstrating academic, sporting and/or cultural excellence, recipients need to have made a considerable contribution to the college. Mr Jerkovich, your vision lives on in our students today.

9 Originalz & 10 Victorious Rangitoto Island Trip 2017

On Friday 27th October 2017, 9 Originalz and 10 Victorious English classes attended a school trip to Rangitoto Island. It was a very exciting and enjoyable place to go and visit. There were lots of interesting facts that 9 Originalz and 10 Victorious learnt from our trip. It was also very tiring to walk up the steps to get to the summit at the very top of the volcano. We had to travel by tractor that took us around the Island which made it easier for us to explore the Island. On the trip the tractor driver told us some facts about the Island. The 2 facts that we found the most interesting were about how the tracks at the island were made by the prisoners many years ago as a part of their reformation. The second fact was that the volcano only erupted 600 years ago and we were surprised that the lava rocks were still there. Although it rained a little bit we all enjoyed the trip and the excitement of travelling by Bus, Ferry and Tractor.

Kei a tātou te ihi! - K.A.T.T.I

On Wednesday 1 November some of the Year 10 Te Reo Māori students attended the 'K.A.T.T.I' Programme at Te Wānanga o Aotearoa in Mangere. There were also other Secondary Schools from around Auckland in attendance ranging from Kaipara High School in the North all the way to South Auckland. The day was inspirational and gave us an insight into what opportunities are available externally through Education Providers such as Auckland University, Manukau Institute of Technology as well as pathways to Otago University to name a few. It was great to see familiar faces at the event too. This trip definitely provided a good foundation for moving into Year 11 next year and we look forward to being a part of the K.A.T.T.I Ambassadors for 2018.

Each week, every Year 9 and 10 student is gauged against our school values by the teachers of English, Maths, Science, Social Studies and PE. Students who achieve the maximum possible marks for five weeks gain a Bronze Award. By gaining another five weeks of maximum values, students move from Bronze to Silver and so on.

The Manaakitanga awards indicate that these students are being consistently Respectful, Responsible and Caring - or in other words are showing Manaakitanga.

Presidential Citation for the Rosehill College Interact Club

The Rosehill College Interact Club has received a Presidential Citation from Rotary International. To earn this citation the students in the club needed to participate in 5 different forms of social action, as stipulated by Rotary International, that benefited society, within a 12 month period. Lead by our co-presidents Tayla Cowper and Carys Nolan, the club has worked steadily towards this goal and received their citation on November 1st. This is the first time our club has gained a Presidential Citation and we were the only club within the Auckland region to do so this year. A big "congratulations" goes out to all our members who worked towards this, you have truly helped Rotary make a difference in the lives of people all over the world.

Rosehill College Gateway Programme Applications for 2018

Applications are now open for our 2018 Gateway Programme. The programme at Rosehill College applies to senior students returning in 2018 as Year 12 or 13 students.

A number of students have put their names down for consideration and applications are currently open until school returns in term 1, 2018.

Gateway is a Tertiary Education Commission (TEC) funded programme designed to strengthen the pathways for senior students (Y12/13) with the transition from school into the workplace. The Programme Coordinator invites students to apply, then interviews each student to ascertain career options for each individual. If accepted for Gateway, the Coordinator finds student's work experience in a variety of careers in the community. There is a focus on students looking at transitioning into either a trade or directly into employment after leaving school. The programme delivers Gateway students additional work related courses and training with NCEA credits to help them toward their chosen goals. Gateway assists in making good work connections for students and in some situations work placements may lead on to either employment or apprenticeship opportunities. Gateway has limited places so if you would like to be considered, pick up an application from Mrs Dyer in the Gateway Office at the back of the School Library or click this shortcut to be taken to the form. All applicants will need to have acceptable attendance at school and HOH needs to give approval.

If any parents or families of Rosehill College have a business that would be a suitable workplace learning experience for a Rosehill Student please contact the Gateway Coordinator, Mrs Nicki Dyer on 295 0661 ext 847 or email n.dyer@rosehillcollege.school.nz

PROCEDURES FOR UNWELL STUDENTS

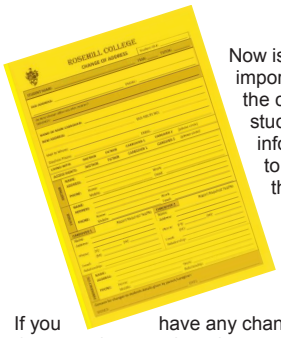
If you receive a txt or phone call from your child saying they are unwell please…

- Tell them to go to the nurse first before you come to the school
- The nurse will assess the student
- Then she will contact the parent/caregiver if the student needs to go home.

We have systems in place to best manage this and the safety of students can be compromised if they txt family instead of following our procedures.

Your support in this would be much appreciated.

KEEPING US INFORMED & YOUR STUDENT RECORDS UP-TO-DATE!



Now is timely to remind all caregivers of the importance of keeping us up-to-date with the correct information for your student. Shortly we will be preparing the information for next year and would like to have the correct details on file so that you get the information required.

- Have you changed address?
- A new phone number?
- A different email address?

If you have any changes to make, please ask your student to get a Change of Details form for you to complete from the Student Office. Thank you!

Summer Reading

Over the summer months, learners lose ground academically because they often associate reading with school – therefore it is work and they do not want to do it. One of the key findings of the research report "School achievement: Why summer matters" was that:

The summer learning effect was confirmed as a major barrier to ongoing achievement: the gains made over the school year disappeared.

Report authors: Stuart McNaughton, Rebecca Jesson, Tone Kolose and Sophie Kercher (2012) Teaching and Learning Research Initiative, University of Auckland.

To support student reading over the summer the Rosehill College Library is allowing students to issue books for their summer holiday reading. Students:

- Must be returning in 2018
- Can take up to 15 books
- Can issue books from 7th December
- Can stockpile books before the issue date

Students can collect the summer borrowing form from the library. The signed form is to be returned to the Library.
