- Tuesday 11 December**
Junior House Day
- Wednesday 12 December**
Year 10 Prizegiving - 9.15am
Year 9 Prizegiving - 10.15am
Last Day of Term

Together we create an environment for personal excellence

From the Principal *Tena koutou katoa*

The NCEA and scholarship exams have finished today. Congratulations to all the students who sat exams, having prepared themselves to do their best. It can seem a long wait from now until the results are released in mid-January. My thanks go to the teachers who worked with students, giving extra help and tutorials. Thank you to the Year 9 and 10 students who have been considerate of those sitting exams by being quiet when moving through the school.

Next week we will welcome Year 8 students who will be attending Rosehill College in 2019. This orientation helps them know a bit about where to go on the first day and a little about how such a big school operates.

On Monday we will have the Leavers' Graduation Ceremony for our Year 13 students. Tickets have sold out and we look forward to wishing the students well for their futures.

Sue Blakely, Principal

Papakura Rotary Santa Parade

**Sunday, 2nd of December at 3 pm
in Papakura Town Centre**

And for a great family night out, don't forget Carols in the Park on Friday 7th of December at Central Park from 6 pm

Junior Fun Day

Junior Fun Day will take place on Tuesday the 11th of December. Students may wear mufti on this day but support your House by wearing your House colours.

The times for the day will be as for a normal Tuesday, with buses running at the normal Tuesday times. Students will compete for the Junior House Trophy in House teams over a variety of activities. A lot of work has gone into planning this day. It is an important school activity that is aimed at team building, skills development and confidence. Sun block, sun hat and water bottles are essential. The canteen will be open.

If it is raining, classes for Day 6 will go ahead as normal so students should bring appropriate gear for those classes as well as what they need for Fun Day.

Applications for reconsiderations and reviews for NCEA and Scholarship external examinations

From their Learner Login, students can access the forms for reconsiderations and reviews after the return of examination booklets.

Changes of address and return of examination booklets

Students who have a permanent change of address over the holiday break will need to contact NZQA on 0800 697 296 in order to update their details to ensure their booklets get sent to the correct address.

Junior Touch Auckland Championship

On Tuesday 27 November our Junior Boys Touch team attended the Auckland Junior Touch Championships held at Bruce Pulman. It was an amazing opportunity for our students to get an experience of playing against some of the best schools in Auckland. We found ourselves in a pool with Rosmini College, Mt Albert Grammar School, Sacred Heart College (Akl'd) A and Kings. Although our team was not successful it was awesome to see the boys give it their best and we look forward to the development of the talent coming through. A big thank you to Cedric, John and Edward for accompanying the team on Tuesday and taking time out of your busy lives to assist with this team.

Facebook

Check out our Rosehill College Facebook page and give it a "like" to be updated over the summer holidays with important news and dates for 2019

Join us in 2019

Community coaches, managers and volunteers, we are looking for a great pair or team to work with our committed and developed 1st XV Rugby team next year. We are also looking for any volunteer coaches who can assist with the younger grades e.g. U60kg, Under 15's for rugby.

Any community coaches/managers for football, hockey and netball are also more than welcome. We are grateful for any adult support we can get for our teams.

Trainings can work around your schedule, our Sports Department is here to assist with the admin side of things and are happy to have a chat with you if you think this is something you may be interested in doing next year. Coaching/managing can also be a shared role between people to make the work load lighter if need be. Please contact Meghan or Irene in our Sports Department on 09 295 0661 ext 844 for more information.

Summer Reading

Over the summer months, learners lose ground academically because they often associate reading with school – therefore it is work and they do not want to do it. One of the key findings of the research report "School achievement: Why summer matters" was that:

The summer learning effect was confirmed as a major barrier to ongoing achievement: the gains made over the school year disappeared.

Report authors: Stuart McNaughton, Rebecca Jesson, Tone Kolose and Sophie Kercher (2012) Teaching and Learning Research Initiative, University of Auckland.

To support student reading over the summer the Rosehill College Library is allowing students to issue books for their summer holiday reading. Students:

- Must be returning in 2019
- Can take up to 15 books
- Can issue books from 6th December
- Can stockpile books before the issue date

Students can collect the summer borrowing form from the library. The signed form is to be returned to the Library.

Mrs Johnston
Director of Library and Information Services.

Next week, Torpedo 7 is running a special where the Rosehill College community can save big \$\$ on outdoor and sporting equipment. You can purchase online or in store, using the promo code on the flyer below.
