NZ Police

NZ Police recently launched a new non emergency number, 105. We've done this to make it easier to get hold of us in the event of non-urgent situations or 'Things which have Already Happened', which don't require Police assistance immediately.

You can call us on 105 for all non emergencies, or you can go online at 105.police.govt.nz to report things like:

- Lost property
- Theft for a public place or car
- Intentional property damage
- Or to get an update or add info to a previous report

In the event of an emergency, always call 111 - Things that are Happening Now.

Year 12 Social Studies

When kids go to school, they often complain in class that they either have a headache or aren't feeling well. This can be because of a lack of food which leads to a lack of focus and kids falling behind in their learning. We compared a meal from KFC that costs \$32.99 which feeds a family of 4 for one meal, and will only keep the family full for a couple of hours. We have calculated that we could feed a family of four for a whole day - a nutritious breakfast, lunch, and dinner which still comes under the \$32.99.

Please help us collect for the Papakura food bank. The things that we would like you to bring in are dried food, canned food, any non-perishable goods, and sanitary items.

We really appreciate your contribution.

Kind Regards
París, Harrison, Ramandeep, Grace

Lifesaving

Congratulations to Kiana Lawton who has been selected as one of the Kiwi Lifeguards heading to California's Huntington Beach.

The group heading to California's Huntington Beach will spend time learning about lifesaving in America, and bring back some top tips from their U.S. counterparts.

A lifeguard education exchange between Huntington Beach and New Zealand has been running since 1992.

In its current form, every three years Tairua SLSC (Surf Life Saving Club) and Piha SLSC lifeguards head to California for two weeks of experience with the Huntington Beach lifeguards. And a group of Huntington lifeguards are hosted by the Kiwi clubs in return.

During their stay with the California surf lifesaving club the Kiwi lifeguards will be shown around the City of Huntington Beach Lifeguard Headquarters, learn about its operations, local conditions, and the challenges lifeguards face. They also join in training, and will 'shadow' Huntington lifeguards on the job.

The Kiwis began training for the trip about 18 months ago.

"In Huntington they are dealing with thousands of people on the beach each day – the sheer numbers is a big difference, and they don't have flagged areas like we do," says Tairua Surf Life Saving Club Captain Matt Kerr.

In New Zealand our surf lifeguards begin training toward their qualifications from a younger age than in America, and most volunteer part-time around other commitments. In California, the lifeguards are full-time professionals, and the instructors for the children's programme are often teachers working in their summer break.

"There's new things that come out of it, new lifeguarding skills that our lifeguards see over there," Kerr says.

Badminton

It was finals time at the Counties Badminton Competition, with our A grade side and our B2 team playing for the championship.

Our A grade side took on arc rivals Alfriston who they beat on countback during the season. The team knew they had a tough challenge if they were to defend their title. Dylan Naera led the charge in the singles with his brother Taine and Blake Mansell also securing wins to hold a 3-1 lead. The team kept their foot on the throat as they both doubles to secure another championship!

Our B2 side was up against two time defending champions Papatoetoe who they lost to 5-1 during the regular season. It was an enthralling encounter in the first game with David Wei coming oh so close narrowly losing 21-20. Every point had to be earned and we went into the doubles down 3-1 with the only win coming from Darshan Singh. The boys continued to show their fighting spirit to draw the double 1 all but it wasn't enough to capture the title.

Our B1 side was playing off for 5 and 6th against Alfriston. The lead continued to change through the matches and it came down to who could hold their nerve. Sadly Alfriston with their experience come out victorious winning 4-2

The teams have improved each week and they should be proud of their efforts this term
