

Year 9 Music - Band

Rosehill College is one of few schools in New Zealand to offer class based band programmes where students receive expert tuition. Students learn musical instruments as part of their class work, and after just a few weeks, begin to play in a concert band situation. The method of learning is based on systems widely used in the USA and other parts of the world. Experience shows that group learning is the best method of ensuring individual commitment and continued interest in music making.

To join this course, a student will be required to learn, or continue to learn, one of the following instruments. (Students can *also* continue learning guitar, piano or vocals).

- Flute
- Oboe
- Clarinet or Bass Clarinet
- Bassoon
- Alto, Tenor or Baritone saxophone
- Bass Guitar
- Drumkit
- Trumpet
- French Horn
- Tenor Horn
- Trombone
- Tuba
- Cornet

To provide a superior learning experience to the students in the Band Class some of the instruments are limited in number. This is to ensure that there is an overall balance of instruments in the band. For this reason, please ensure that you include a second and third choice, in case your first choice is not available.

Please note that this course caters for students with **and** without previous musical experience. Students in this course will be given priority in terms of instrument tuition, so that they can develop or continue developing musical skills and techniques.

Year 9 Band leads on to the Year 10 Band Class, and all senior music courses.

Students are expected to own or hire an instrument and have it for class by the start of the school year, February 2020. Details on hire or purchase will be sent to 9 Music Band Applicants.

If you select Music - Band please fill in the form on the back of this sheet.

9MUSB - Band Class Application Form 2020

Only fill this in if you have selected Music - Band on your Course Selection form. Please ensure that it is included with your Enrolment Form.
