Dates to Remember

Friday 20 September
Senior Practice Exams Finish

Friday 27 September
End of Term 3

From the Principal Tena koutou katoa

Senior exams began yesterday and continue to the end of next week. It is important that all students do their best in these exams, both as a way of testing their learning to date and also to benchmark their abilities in case some accident or otherwise unforeseeable event prevents their sitting external exams later in the year. There are always some students for whom this happens, and when it does their results in these exams will be the measure that will be used to create 'derived grades'. Students who have been quarantined because of measles will sit any exams they have missed during the remainder of next week after their return on Tuesday 17 September. The timetable for these "catch up" exams has been emailed to those students who were quarantined and it is also on the Student Hub. Thank you to the junior students who have respected the seniors in exams by being quiet and away from exam areas at class changes, at interval and after school.

Ordering Your Photos OnLine

Rosehill College photographs will be available for you to view and order OnLine with PhotoLife Studios, for students who had their GROUP PHOTO taken recently by PhotoLife.

By now all students who have had their photo taken by Photolife should have their individual Online Slips with their unique Shoot Key detailed on it. This Shoot Key will automatically display all the photographs of your child in his/her Group Photos. It is then an easy process for you to shop on-line and purchase the photographs you want—just follow the instructions on the slip.

All orders placed **BY 15th SEPTEMBER 2019** will be despatched back to the school (**free delivery**) and your child will bring the photographs home. Any orders placed after that date will be sent directly to your specified delivery address and will incur a \$6.00 postage and packing charge.

There will be a small supply of Order Envelopes at the Student Office if you would prefer to place your order manually.

Cycling

Just an update on how Chelsea Nicholas went over the weekend for the Cycling NZ Schools Northern Tour.

She placed 7th in the Individual Time Trial, 11th in the 800m Hill Climb up Mt Wellington and 5th in the Criterium. Tally of points placed her 8th overall in Under 14 girls for North Island. She is now preparing now for the Nationals at the end of the month.

Netball

Year 9 Red

The girls had an overall great season losing only one game! The team consisted of newbies and experienced players and this worked out well. The girls worked really hard each game to ensure we got the win. They all helped and supported each other throughout the season, making sure no one was left out! It was a pleasure coaching this team and we look forward to seeing how they succeed through their netball careers!

Thanks heaps, Kaitlyn and Emma.

Rosehill Prem Boys Basketball:

This year, Prem boys entered the Schick Zone 1 basketball qualifier tournament. 24 teams from across Auckland and Northland competed for the right to qualify for the secondary schools nationals tournament. The four day competition required two games per day with pool play, quarters, semis and final positioning play-off games. Our young Prens team performed incredibly well in a difficult pool including strong basketball colleges such as Mt Albert Grammar and Westlake Boys to finish in third place for their pool at the conclusion of pool play. This secured them a top 12 position, the best result for Rosehill Prens Basketball in many years.

The team conducted themselves incredibly well, both on and off the court. We are very proud of their achievement at tournament and throughout the whole basketball season. Thanks go out to our great coach, Tim Dennis and our supportive group of parents. To the team, thanks for your commitment to the early morning & after school trainings, and support to each other. Very proud of all of you, and being able to share the season with you.

Shelley Green, Team Manager.

We are the Boys in the RED & BLUE... The end of yet another awesome season with an amazing group of Lads.

We may not have won the Final but we sure do have a group of Winners in every other way ... Winning characters, Winning personalities, Winning smiles, Winning spirits, a WILLINGNESS to succeed ... For Teenaged Lads – we as Coaches, Managers, Teaching Staff and Parents – can all be extremely proud of each one of them.

They have carried the Rosehill flag with such pride, respect and love. Their passion and hunger to succeed in being the best that they can be, has to be commended. Not once did they give up and even after the end, this was not good enough for them and they called for more games to play. These boys WILL go far in life as they all have what it takes to be successful, strive for victory and They do everything with a smile, with humility and pure goodness.

Well done to each one of you for giving 110% every day. We wish you all the best for your futures and will miss you all terribly.

Thank you for being such AMAZING Lads.

Yvette Lentner, Team Manager.

Students who achieve the maximum possible marks for five weeks gain a Bronze Award. By gaining another five weeks of maximum values, students move from Bronze to Silver and so on.
