## Dates to Remember

**Tuesday 22 October**  
Arts and Cultural Awards, 6pm

**Wednesday 23 October**  
Junior Study Skills Parents' Evening

**Thursday 24 October**  
Sports Awards, 6pm

Thank you to [Dodd Civil Consultants](#) for the platinum sponsorship of our 50th Anniversary Celebrations on 7th – 9th February 2020

Together we create an environment for personal excellence

## From the Principal *Tena koutou katoa*

The Tour Band had a very successful Music Tour of Argentina at the end of last term and into the holidays. Thank you to Mrs Banham, Ms Matthews and Mr and Mrs McConchie for organising and accompanying the group. The Music Soiree at the Hawkins Centre on Friday 1 November is an opportunity to hear the excellent performances of the College's music groups.

This week has seen the start of our annual celebrations of students' success with the Pasifika Awards taking place yesterday. Senior students presented their assessment performances in the very entertaining Dance Show and the Design and Visual Communication Exhibition opened in the Papakura Library and Museum. The extremely high quality of the work of our students is a true demonstration of Personal Excellence. The Dates to Remember segment shows the upcoming celebrations.

In Principal's Assemblies this week, I signalled a change to Tutor Groups and Tutor Group time from 2020. While students will remain in the same houses, all groups will be affected by the changes. When the details are finalised, we will email all students and parents/caregivers. I know that students will adjust quickly to the changes which are being made to enable a stronger Tutor Group programme to meet the needs of our students in today's environment.

Early next week we will be emailing you a link to a Survey Monkey regarding the School Donations, to gather some information to inform the Board of Trustees decision about donations and contributions. Please keep an eye out for this email.

*Sue Blakely, Principal.*

On Wednesday October 16, Sue Blakely opened the Technologies exhibitions at Papakura Museum and the Sir Edmund Hillary Library. The exhibitions showcased the work of our Technology students.

Year 13 DVC: Spatial designs for transportable 'pop-up' spaces.

Year 11DVC: Skateboard decks designed for the New Zealand Olympic Skateboard Team, for the 2020 Games in Tokyo.

Year 10Textiles: Garment design and manufacturing: Handmade Hoodies with printed graphics inspired by students' whānau.

Students, whānau and staff were joined by Ramon Thackwell-President of Skating NZ along with NZ Skateboarding Athlete and Rosehill alumni Lenard Tejada, who will be competing at the Tokyo Olympics in 2020.

Please come by the exhibitions over the next two weeks and use the event QR codes on event posters to provide feedback. The work students produced through planning, researching, creating, exhibiting, documenting and evaluating the exhibition is for their DVC Achievement Standards.

## Ex Student Success

Veronika Bell, who left Rosehill College at the end of 2011, has recently released her debut hit single 'Truth'. Veronika, known as ViKÆ in the music world, hit the top 20 in her first week of her single being released as well as placing 5th in the 'Hot 20 NZ Singles'.

### ViKÆ's recent press release stated:

Introduced to the beauty of classical music from an early age, Veronika began studying the piano, joined ballet school and later enrolled in a drama programme. Finding a niche within the performing arts gave Veronika a sense of purpose. Awarded a choral scholarship, Veronika was accepted into the Bachelor of Music (Classical Voice Performance, University of Otago). Half way through her degree, she switched to a contemporary voice major and completed her honours year with a dissertation on the vocal techniques of Ella Fitzgerald. She hosting the 91FM Thursday Drive as well as being involved with the radio station for 4 years. During this time, Veronika also became a resident vocalist of The Dunedin City Jazz Orchestra and released a drum and bass track, Hindsight (prod by Kristin Nielson and 4ORT.NIGHT Records). Later, she met Dunedin Guitarist Latham Hunt and together they formed a rock duo VTMNK (Vitamin K). Whilst working towards an EP with local producer Tim Greenslade, VTMNK were heavily praised for their song writing techniques and musicianship from renown New Zealand producers Clint Murphy and Greg Haver. Now living in Auckland, Veronika is quietly chipping away at her debut album and is an itinerant vocal teacher at a high school as well as teaching singing and music theory privately from her home studio.

# MANAAKITANGA

Each week, every Year 9 and 10 student is gauged against our school values by the teachers of English, Maths, Science, Social Studies and PE. Students who achieve the maximum possible marks for five weeks gain a Bronze Award. By gaining another five weeks of maximum values, students move from Bronze to Silver and so on.

The Manaakitanga awards indicate that these students are being consistently Respectful, Responsible and Caring - or in other words are showing Manaakitanga.

# CHANGE OF DETAILS?

## KEEPING US INFORMED & YOUR STUDENT RECORDS UP-TO-DATE!

Now is timely to remind all caregivers of the importance of keeping us up-to-date with the correct information for your student. We would like to have the correct details on file so that you get the information required.

- Have you changed address?
- A new phone number?
- A different email address?

If you have any changes to make, please ask your student to get a Change of Details form for you to complete from the Student Office. You can also email the changes to [studentadmin@rosehillcollege.school.nz](mailto:studentadmin@rosehillcollege.school.nz).

Thank you!

## From the Careers Department

### Job Vacancy

Baber Turf Equipment (BABECO) are currently looking for a school leaver for a full time position in their warehouse based in Drury.

Applicants must be honest, physically fit and hold a drivers licence.

Contact Brent Baber for more information at [brent.baber@outlook.com](mailto:brent.baber@outlook.com) or phone 294 6040.

### 2020 Whanake – HERA Scholarship

#### (Engineering - Structural or Mechanical)

To further the aims of the Heavy Engineering Research Association (HERA) to strengthen and extend their industry's capacity, HERA is pleased to offer a scholarship targeted to a Māori student in their first year of a four-year Bachelor of Engineering degree (B.E., or B.Eng). The scholarship comprises an annual scholarship award of \$5,000 and paid summer internship (with HERA) over four (4) years.

As this is a form of recurring scholarship, conditions will be placed on the award which will include the annual submission of academic results, annual progress reports from the successful recipient and supervisor or Head of Department, a signed contract which will include these conditions, and a refund policy should study cease. Given the internship offered is Auckland-based, ideally the recipient will be enrolled in an Auckland tertiary institute.

An application form for the scholarship is attached. We would appreciate it if you would bring this to the attention of appropriate personnel and students within your school or tertiary institute.

Please note the application round closes Friday 21 Kohi-tātea (January) 2020.

If you would like more information, please do not hesitate to contact the office on 04 586 7971

## Football

The latest edition of the National Youth League has kicked off for 2019 and will showcase the country's finest emerging football talent and two players are from Rosehill College.

The National Youth League runs in conjunction with the ISPS Handa Premiership and is competed for by the same 10 clubs.

Former student Argyle Morling and current Year 13 Ricky Singh have both been selected for teams competing in the 2019 National Youth League.

Argyle is playing for Eastern Suburbs based in Auckland while Ricky is playing for Hamilton Wanderers based out of the Waikato region.

Well done lads. Keep up the good work!

## Gymsports

Carlene Smith recently competed in the NZ Rhythmic Gymnastics Competition and got some outstanding results as below.
