

### The 5 Expectations for the remainder of this Term.

1. Right place right time.
2. Ready and focussed
3. Respect others
4. There is further learning
5. Behave for learning, not to harm.

Together we create an environment for personal excellence

Thank you to [Dodd Civil Consultants](#) for the platinum sponsorship of our 50th Anniversary Celebrations on 7th – 9th February 2020

## Dates to Remember

**Wednesday 27 November**  
BOT Meeting, 6.30pm

**Tuesday 3 December**  
Junior House Fun Day

**Wednesday 4 December**  
Graduation Ceremony, 5.30pm

**Friday 6 December**  
Year 10 Prizegiving - 9.15am  
Year 9 Prizegiving - 10.45am  
End of Term 4 - 12 noon

### *From the Principal Tena koutou katoa*

We wish our senior students well for their remaining NCEA and Scholarship exams. These continue through until 3 December. It has been gratifying to hear very complimentary remarks from the NZQA-appointed supervisors about the excellent behaviour of our senior students in these exams. My thanks to our junior students for their consideration in keeping noise down.

Applications are open for students wishing to be considered for being a Year 10 Junior House Leader in 2020. I encourage students currently in Year 9 to think about this opportunity.

*Sue Blakely, Principal*

## Australian Mathematics Competition

In August this year advanced Mathematics students from Year 9 to 11 sat the Australian Mathematics Competition. This is a problem solving competition and students from all over New Zealand and Australia take part.

Congratulations to the following students for their outstanding results:

Melody Baird  
Year 9 Distinction

Anna Carter  
Year 10 Distinction

Christopher Thompson  
Year 10 High Distinction

Jason Lee  
Year 11 Distinction

## Te Roopu Awhina end of year whakawhanaungatanga

**Nau mai, haere mai ki te whānau Maori o Pukeroihi (Rosehill College),**

The Rosehill College Māori whanau group, known as Te Roopu Awhina, would like to invite all whanau to an end of year whakawhanaungatanga on Sunday 24 November. The meet and greet would start at 10am in the whareniui 'Moemoea' ending at 2pm.

The purpose of the day is as follows:

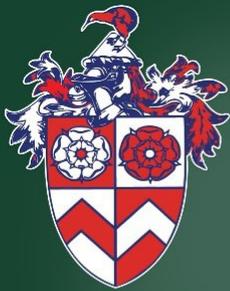

- To create an opportunity to get to know whanau better.
- Identify what amazing skills we all have that we can better use to help our young people transition into becoming strong, successful, and culturally centered young adults.
- Introduce a whanau group that are interested in bringing waka ama to Rosehill College for our tauria to learn and how they can share their knowledge.
- Discuss the pathway for our Kapa Haka group to build a strong team for Polyfest 2020 (which means we will start practising our waiata etc now).
- The plan is to finish the day if weather permits with an awesome kaihaakari (hangi or BBQ) by the school pool where we can swim, eat, and get to know each other better.

Please bring the whanau along for a fun and purposeful end to our year.

Hangi: Any donations of food or side dishes are most welcome. Anyone interested in helping on Saturday to prep for the hangi please contact Whaea Pare Matthews mob: 0278082511 work: 09 2950661 ext 866.

*Nga mihi nui  
James Te Whare  
Tiamana o Te Roopu Awhina*

Please spread the word to past students and staff. [Registrations by 7 December 2019](http://rosehillcollege50years.co.nz) to ensure a place.

## Stitching Away Stress

Winter was approaching and what a good reason for Rosehill staff to do something different during those rainy lunchtimes.

With donations of wool and yarn from school families, staff quickly became productive with their hands and minds at a different level to produce beautiful baby blankets for our community and donate to the Papakura Obstetric Hospital.

Who knew that such a simple activity could provide numerous health benefits. It can help with managing stress, anxiety, and depression, it keeps your brain healthy, it can help your motor skills, it is a meditative act and it instills pride upon completion. This will definitely be a lunch time activity that we will do again next year and also extend to students.

Baby blankets by Joanne Carter

## Summer Reading

Over the summer learners lose ground academically because they often associate reading with school – therefore, it is work and they do not want to do it.

The Rosehill College Library is encouraging students to issue books for their summer holiday reading. Students:

- Must be returning in 2020
- Can take up to 15 books
- Can stockpile books before the issue date
- Free bag to carry books.

Students can collect the summer borrowing form from the library. Return the signed form to the Library staff.

Please encourage your teenagers to sign up to the Summer Reading Programme and read during the holidays.

THE LIBRARY STAFF

## FOUND ITEMS...

We have a collection of valuable items handed into the student office by some very honest students. If you have lost any of the following items within the last 12 months, please drop into the **Student Office** to identify and collect them! Any unclaimed items will be given to a charity at the end of term.

- Watches
- Cell Phones
- Memory Sticks
- Prescription Glasses
- Jewellery
- Keys

### Volleyball Camp RESCHEDULE

Volleyball Camp reschedule from Saturday 23rd November to Saturday 30th November due to the Secondary Schools Auckland Champs this weekend.

Volleyball Camp will be with Coach Cilla and Coach Jack Saturday 30th November 9am-12pm at Rosehill College Sports Centre.

### Basketball Tournament

Please see the flyer for a Term 4 Run & Gun Club Challenge. If you would like to take part please register with Annette Sayers via email [a.sayers@extra.co.nz](mailto:a.sayers@extra.co.nz) or phone 027 295 4880.

This is an awesome, fun 1 day tournament, nice and local at the Bruce Pulman Arena!

### Gymsports

Paris Boyce-Bacon competed at the NZ Cheerleading National Championships on the weekend competing in 3 events and came away with 3 medals. She gained 2nd overall and silver medal for her solo, 2nd overall and silver medal for her level 4 team and then took out the gold medal and 1st overall in NZ for Team NZ. She also won a spot to the global games in Hawaii and the world Cheerleading championships in Florida.

### Coaches and managers 2020

WE WANT YOU!

If you have a passion for seeing young people participate in sport we need your help. Rosehill College has 60 active summer and winter sports teams that we need adult coaches/managers/supervisors for. Trainings can be flexible and work around your own schedule, Rosehill College facilities can be booked and equipment for each team is provided by the school. We are on the hunt for coaches/managers across all summer and winter codes.

If this is something you could be interested in please contact our Director of Sport [m.hull@rosehillcollege.school.nz](mailto:m.hull@rosehillcollege.school.nz) phone 09 295 0661 ext 844.

### Rosehill Raptors Basketball Club

On Thursday afternoons we run our Rosehill Raptors Basketball Club from the Rosehill College Sports Centre. This is open to all ages from Year 1 through to college age.

This is a free program! For more information check out the Rosehill Raptors Facebook page.

<https://www.facebook.com/RosehillRaptors/>

### Good luck!

Good luck to our Junior Boys and Junior Girls Volleyball teams competing at the Auckland Championships this week! A big thank you to Lagi, Cilla, Jese, Martinez, Mandy, Ieremia and Ramona for your assistance with these teams!

Make Rosehill proud!!!

## Celebrating RC Future Engineer

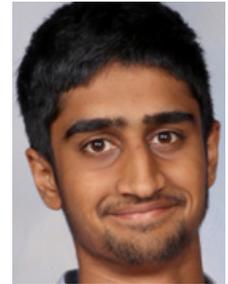

### New Zealand Engineering Science Competition

The Department of Engineering Science at the University of Auckland, runs a nationwide problem solving challenge for high school students each year. Details of competition are here <https://www.auckland.ac.nz/en/engineering/about-the-faculty/engineering-science/new-zealand-engineering-science-competition.html>

Over 200 teams compete in the event. I am pleased to let you know that one of the Rosehill College teams achieved a "Highly Commended" award this year. The students in this team were Ramandeep Singh, Jasmeet Singh, Gabe Jonson and Harrison Carnahan (all Year 12).

Ramandeep Singh

Jasmeet Singh

Gabe Jonson

Harrison Carnahan

As in the words of Prof. Rosalind Archer, Head of Department - Department of Engineering Science, Director - Geothermal Institute

***"I am particularly impressed a Year 12 team did so well since most of the prizes went to Year 13 students".***

On Saturday 3rd August 2019, three teams each consisting of four students, from Year 11 and Year 12 classes took part in the New Zealand Engineering Science Competition. The participating teams were given an open-ended science question via an email at 10 am and by 6 pm individual teams submitted their reports online. The question for this years competition was:

***"If you had a million dollars to spend on online marketing, what percentage of the NZ population could you persuade to sign a petition that you wanted championed?"***

Mrs M. Sandhu

# NEW ZEALAND DIPLOMA IN SPORT, RECREATION AND EXERCISE (MULTI-SECTOR) L5

## at Pulman Arena with the Auckland Dream

The Auckland Dream's NZ Diploma in Sport, Recreation and Exercise will immerse female students in practical hands on programme which combines academic study and basketball specific industry experience within the Auckland Dream. Students will be interns, actively participating in activities from delivering basketball skills at clubs and schools to game day management at the Auckland Dream games. Through the year, students will have practical learning experience while they complete the Diploma which will enable the students to pursue careers as school sports coordinator, recreation programmer, sport specific coach, coaching coordinator, sport administrator, event manager, personal trainer, or continue to a Bachelor in Applied Sport and Exercise Science.

If you're interested in being part of the Auckland Dream Team while earning your qualification, join the NZ Diploma in Sport, Recreation & Exercise at Pulman Arena!!!
