## From the Principal *Tena koutou katoa*

My thanks to Mr Spackman, the Junior House Day team and our property staff for the preparation that went into the Junior House Day on Tuesday. There was a good variety of activities to keep our junior students challenged, along with intense competition between the Houses. The rain held off for the first half of the day, but the rain radar warned us of the incoming downpour so students returned to normal classes for the afternoon. Well done to Kahurangi who won the trophy, with Pounamu coming second. Thanks as well to the senior student leaders who came back to help on the day.

Congratulations to the Year 13 students who attended the Leavers' Ceremony on Wednesday evening, marking the completion of five years of secondary education. My thanks to Ms Sharma and the Events Committee for the work they put into planning this function, and thanks to those students who worked hard to make this a memorable occasion.

Today we have held our Year 9 and Year 10 prizegivings, and my congratulations go to all the award winners and to our speakers, Marika van Daalen, Year 10, and Meg Shuker, Year 9.

My congratulations to all, staff, students, Board members and parents/whanau, who contribute to making Rosehill College the great place it is. It is a pleasure to be leader of such a school.

To those not returning to Rosehill in 2020, I wish you every success in your futures, and to those who will be back, I look forward to working with you again in another successful year.

I wish you all a happy and safe holiday season.

*Sue Blakely, Principal*

## CHRISTMAS MESSAGE FROM THE STUDENT OFFICE...

The student office would like to thank all the RUNNERS we have had working in the office throughout the year. It is a very important job with responsibilities, giving students experience in an office environment at the same time as giving them a good grounding on how the school works. We look forward to seeing some of them again next year. We wish all students a Happy and Safe Christmas and New Year!

## Puhoro Engineering Challenge

On Wednesday 27th of November a group of 17 Year 10 students set off to Bruce Pulman Park to take on challenges in Engineering and Science as an introduction to the Puhoro STEM Academy program in 2020.

Students faced either one large task or two small challenges and were quickly relaxed and focussed on their projects. Although we didn't bring the trophy home this year a good time was had by all. Thanks to Mrs Austin for driving and support.

## 'He kai kei āku ringa'

Celebrating success has many forms and this year Te Tari Māori (Māori Department) celebrated with a mammoth Hangi. The prep work, the gathering of kai and the united effort achieved by all who were involved is to be commended. It is these kinds of authentic, relevant learning that truly enriches our rangatahi's (youth) experiences. Not to mention the kai (food) was delicious. Manaakitanga at it finest.

*'Mehemea ka moemoeā ahau, ko au ānake.*

*Mehemea ka moemoeā tātou, ka taea e tātou'*

Ngā mihi o te wā Kirihimete ki a koutou, kia manaaki, kia manawanui.

Nā Te Tari Māori

## Coaches and managers 2020 WE WANT YOU!

If you have a passion for seeing young people participate in sport we need your help. Rosehill College has 60 active summer and winter sports teams that we need adult coaches/managers/supervisors for. Trainings can be flexible and work around your own schedule, Rosehill College facilities can be booked and equipment for each team is provided by the school.

We are on the hunt for coaches/managers across all summer and winter codes.

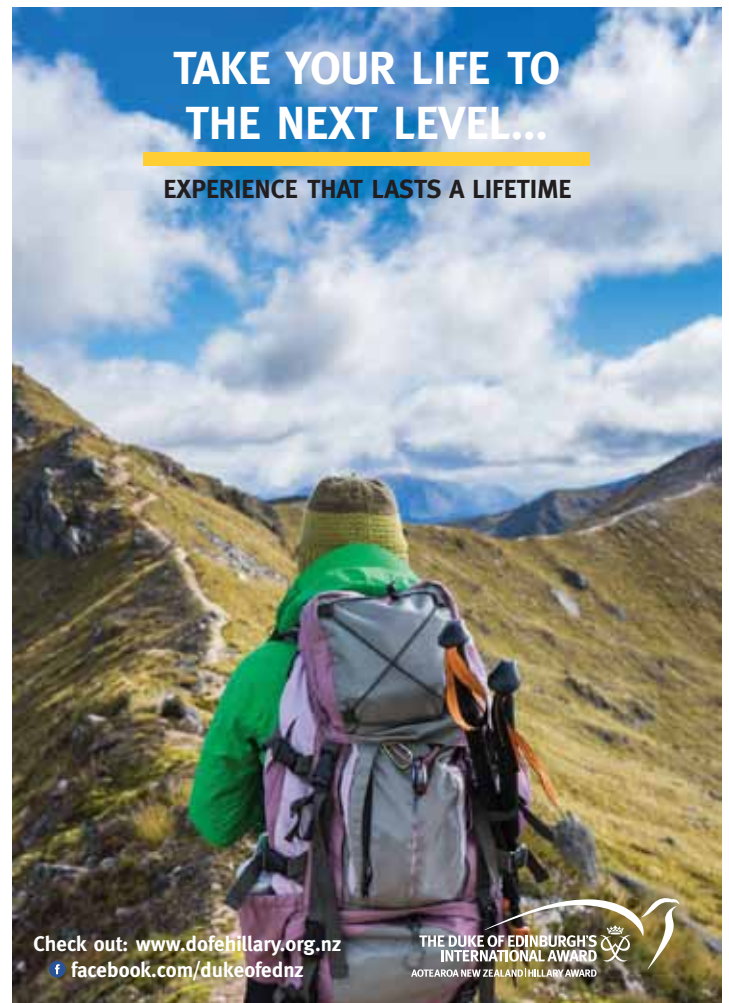

If this is something you could be interested in please contact our Director of Sport [m.hull@rosehillcollege.school.nz](mailto:m.hull@rosehillcollege.school.nz) phone 09 295 0661 ext 844.

Each week, every Year 9 and 10 student is gauged against our school values by the teachers of English, Maths, Science, Social Studies and PE. Students who achieve the maximum possible marks for five weeks gain a Bronze Award. By gaining another five weeks of maximum values, students move from Bronze to Silver and so on.

The Manaakitanga awards indicate that these students are being consistently Respectful, Responsible and Caring - or in other words are showing Manaakitanga.

**Gold Award Recipients:** Campbell Allen  
 Kiri Anderson  
 Harsimran Rehal
