

Rosehill College News

From James Clarke, Acting Principal Achievement Results Show We're Back on Track But... Still More To Do.

In a week's time you will be reading your child's report. Don't be dismayed by the apparent lack of results. There are still plenty of results in the 'pipeline' about to be added to students' learning records at the end of this Term and at the beginning of Term 3.

Students and teachers have done a magnificent job in working strategically to make up for lost learning and to offer as many opportunities as possible to get some quick gains and extra credits. Our academic achievement data is not as comparable as it should be to this time in previous years but it is trending that way.

Senior students look to have somewhere between 40 - 90 internal assessment credits still to gain and that will mean significant focus and effort in Term 3. The Term 3 holidays and Term 4 will see all of our students focus their study on upcoming examinations.

A MINUTE OF SILENCE

The Head Students, Student Trustee, Maori and Pasifika Leaders have banded together to make a response to the international outcry against discrimination. Here is the script for our students and staff to consider in a minute's silence next week.

The minute of silence is to signify that we choose to stand together and not apart.

We don't agree with the injustice that minorities face because of the colour of their skin, especially seen in recent distressing events in America.

Each culture has faced hardships within New Zealand and the World.

These hardships shouldn't be what separates us, they should be what brings us together.

Because at the end of the day our culture is the representation of our community and who we are.

Here at Rosehill College we collectively don't agree with this injustice against our people as we are a team and despite differences we are always connected.

We are going to take the steps to show that we stand against injustice and are all for equality and acceptance of diversity.

So a minute's silence symbolises a self-reflection of who we are and acceptance of all of us.

We are one. We are all.

MATARIKI

To celebrate Matariki, all students in Te Reo Maori will be learning about this celebration and the tikanga of its significance and that of hangi on Thursday and Friday. During lessons students will undertake this learning in conjunction with preparing kai. The hangi will be served to staff and students Friday 3 July at 1.40pm. and parents and whanau are very welcome to come to the whare (in between the College and the Intermediate) at that time to join in the celebration and enjoy the kai. Nau mai haere mai.

If you wish to make responses or comments to me, please do so j.clarke@rosehillcollege.school.nz

Term 3, Week 1.

Thursday 23 July (Surnames A-L) and Monday 27 July (Surnames M-Z) from 2.30pm to 6.00pm. Please note that classes will finish at 1.40pm. It is expected that students are present at the interviews, if possible. Murphy's buses will operate at 1.40pm and the AT Metro buses at the usual time of 3.20pm. Students are welcome to remain at school to study. Information on how to book appointments will be emailed out early next week.

Student Volunteer Army (SVA) Service Award

Students can go online and register for this award. Students log their volunteer hours and will be awarded a badge based on how much time they volunteer for. This would be a great award to put on your CV.

<https://service.sva.org.nz/>

See Mr Fraser if you would like more details.

The Cashier's Office will be closed from 2.30pm Friday 3rd July 2020 and will re-open 8am Monday 20th July 2020

Cellphones in class

Cellphones are often a distraction to student learning. Just having the cellphone in their possession can affect a student's ability to focus on their learning, and cellphone distraction has an impact on student test scores. Please encourage your child to leave their phone turned off and in their bag. Also, it would be helpful if whanau could refrain from calling students during class time as this creates a further distraction to their learning.

Senior Photography Exhibition

This year owing to the lockdown we were unable to hold our annual Senior Photography Exhibition. To replace our usual Term 1 show we have created an online exhibition of work from a selection of year 12 and 13 Photography students.

There are gift card sets available for purchase from the show - proceeds go towards the purchase of new studio photography equipment for student use. All information on the site.

FOOD BANK

Attention everyone,

If you, or anyone you know has a citrus tree that is dripping with fruit, please bring any spare fruit you cannot use to Tutor Group Time or X13 next week. This fresh fruit will be added to the foodbank the Year 11 and 12 Social Studies classes have been collecting. Like all other products social studies have been collecting for, this fruit will go a long way to help families in need. Thank you!

Each week, every Year 9 and 10 student is gauged against our school values by the teachers of English, Maths, Science, Social Studies and PE. Students who achieve the maximum possible marks for five weeks gain a Bronze Award. By gaining another five weeks of maximum values, students move from Bronze to Silver and so on.

The Manaakitanga Awards indicate that these students are being consistently Respectful, Responsible and Caring - or in other words are showing Manaakitanga.

The World Vision 40 Hour Famine

Kia Ora Koutou,

The World Vision 40 Hour Famine is New Zealand's largest youth fundraising event. Every year since 1975, hundreds of thousands of young Kiwis have taken a stand through a 40 Hour Challenge to raise money and bring hope to thousands of children living in poverty in more than 40 countries. To take part you need to either go without something you rely on for 40 hours, like food. Over the weekend of 19th-21st June, many young Kiwis took part in the World Vision 40 Hour Famine; raising life-changing money for the families and children of Malawi affected by climate change. Despite the challenges we have all faced over the last few months, physical distancing was no match for awesome, inspiring young Kiwis like you. Across New Zealand, Kiwis participated in mufti days, sausage sizzles, bake-sales, carnivals and so much more! At Rosehill, we were inspired by some crazy and brilliant fundraising ideas; from doing 10 pushups every hour for 40 hours, to going without food for 40 hours straight. Thanks to your help, we can win the fight against hunger and injustice in Malawi. In total, we raised \$307 as the Community Committee to provide communities in Malawi with sustainable farming tools like seeds, watering systems and goats.

Thank you Teachers and Students for your support.

Auckland Transport Hop Cards

Rosehill College has been identified as having high cash fare usage on school bus services. In order to reduce the handling of cash of school bus services, Auckland Transport will be offering free HOP cards with a \$10 balance to students who use a school bus service but do not have a HOP card, or have lost their HOP card.

Student who do not currently have an AT account will need to create an account using the link below. Those students who already have an account will need to ensure their details are up to date. A valid email address is required for this process.

Link: <https://at.govt.nz/wcpregration>

Auckland Transport will be onsite to issue HOP cards at lunchtime on Thursday 2 July in the Hall.

On the day of issuing the HOP cards, we recommend students bring their own device, as Auckland Transport will have limited devices.

Students will also need a valid ID (secondary school ID is acceptable) before a HOP card with a student concession can be loaded to an account.

Please note, we will be unable to top up or transfer any balance from existing HOP cards.

The Te Roopu Awhina Hui

Thank you to all the whanau who attended the Te Roopu Awhina hui in Moemoea and to those who joined us via Zoom meets. An update of the hui, the questions asked and the korero had will be shared with whanau once we have collected the information from the questionnaire sent out in the email.

Art & Design Information Day (online event)

AUT

AUT's Art and Design Information Day

AUT's Art and Design Information Day is an event designed for students who intend to apply for Art and Design's undergraduate programmes. This year, we are taking the event online on Thursday 9 July.

There will be two sessions throughout the day, with options specific to each major to choose from. Lecturers will give general information about the courses and will also advise on how to submit an electronic portfolio.

This event is for anybody interested in a Bachelor of Visual Arts which has pathways in Photography, Paint/Print and Sculpture, or our Bachelor of Design with majors in Communication Design, Interaction Design, Digital Design, Fashion Design, Industrial Design, or Spatial Design. It's also an opportunity to find out more about our interdisciplinary minors.

Thursday 9 July, 10am – 10.40am, 2pm – 2.40pm

[Click here for more information and to register](#)

Students must individually register for this event to attend.

SPORTS REPORTS

Mixed XI Hockey, 22nd June, game against Pukekohe

Rosehill 0 - Pukekohe 5

Open Boys Basketball, 23rd June, game against Manurewa

Rosehill 31 - Manurewa 35

Open Girls Basketball, 23rd June, game against Aorere

Rosehill 36 - Aorere 25

The Open Girls Basketball started their season with a physical match against Aorere College. Through great teamwork and perseverance they were able to take an early lead and hold Aorere off for a 36-25 win. Well done girls, keep up the great work.

A & B Grade Badminton, 24th June

A & B Grade Badminton had grading rounds this week, with competition starting next week.

1st XI Boys Football, 24th June, game against Pukekohe

Rosehill 3 - Pukekohe 1

The Boys 1st XI Football team had their first game of the 2020 season on Wednesday against rivals Pukekohe High.

The team has been training for the last 3 weeks and due to the covid effect were unable to play any pre-season friendlies so the first game was a true test for the players and management staff. The new players to the team played very well and the returning players provided the solid foundation with a high work rate.

Thanks to all the supporters who came and watched the game, the team are trying to play a fast paced entertaining style of football which makes good watching from the side lines. The final score was 3-1 to Rosehill, so a win first up from good team play. Thanks to Mr Rennell for refereeing and Mr James for running a side line for us.

Although it was the team's first game it also turned out to be Tijn van Eeden's last game as he returns home overseas after his international exchange at Rosehill. Tijn was part of the 1st XI in 2019 and has been a great player to coach and a formidable right full back for the team. Thanks for your time with the team Tijn and safe travels back home.

DRAWS

Saturday 27 June - U70 Rugby 9.15am @ Macleans College

Monday 29 June - Mixed Hockey 4pm @ Rosa Birch

Tuesday 30 June - Senior Basketball 4.30pm & 5.30 pm @ Bruce Pulman

Wednesday 1 July - Boys Football 4pm @ McLennan Park

Girls Football 4pm @ Rosehill

Boys Hockey 6pm @ Strathallan

Girls Hockey 5pm @ Rosa Birch

Badminton A & B Grade @ Papakura Badminton Centre

Thursday 2 July - Junior Basketball 4pm @ Bruce Pulman

1st XI Girls Football, 24th June, game against Macleans College

Rosehill 2 - Macleans 1

The day finally arrived where the girls could take to the pitch (in this instance turf). They were pumped, excited and nervous.

The weather was typical football weather with the wind howling from the sea right down the pitch.

It was decided we would play into the wind 1st half, with strange looks from both the ref and opposition captain on this decision. This meant a tough first half for the defence defending and attackers trying to score against the wind, but they all battled hard and at half time were 1-nil down.

2nd half the wind was in our favour and girls took their opportunities. First came from a well taken corner from Alana and finished well by Taylor. There were many more opportunities that just didn't hit the back of the net, until Taylor slammed another one in, leaving with a 2-1 win.

For the first game of the season it was good to see combinations working, right from the backs through the mids and onto the strikers an all round great game from everyone.

1st XI Girls Hockey, 24th June, game against Strathallan

Rosehill 12 - Strathallan 0

The girl's team had an impressive start to the season, not only in the result but in how well they played together as a team. Passes were sharp and looked like we had been playing all year rather than just being our second game. Standout performances were from Danielle with 4 goals and Abbey and Monet with their amazing defense.

1st XI Boys Hockey, 24th June, game against Waiuku

Rosehill 1 - Waiuku 1

The Boys 1st XI Hockey team had a great start to the season with their second game on Wednesday against Waiuku College. The score was a 1-1 draw with the last goal scored from a penalty corner after the final whistle by Cameron Ross. With a strong work rate, the boys managed to keep the opposition out of their defending circle and create channels of play up the field. It was an even game of skills but the Rosehill boys definitely outshone in fitness and drive to get the ball. Thank you to all our supporters who came out and watched the game and a big thanks to Matt Williams and Blake Kayes for coaching, and Viv Jamieson for being our manager.

Junior Boys Basketball, 26th June, game against Pukekohe

Rosehill 61 - Tangaroa 28

A great first up performance for the Rosehill Junior Boys Basketball, winning 61-28 against Tangaroa. Well done to TK Oti-Semmens who led all scorers with 17 points.

Junior Girls Basketball, 26th June, game against Pukekohe

Rosehill 102 - Mission Heights 0

Our Junior girls basketball team started their season with a convincing win over Mission Heights, earning 102 points. All girls scored, contributing to a fast paced, fast break game. Our top scorer was Izzy Woodroffe, thanks to head up passes and fast breaking. Congratulations Coach Casey Sayers on your first game.
