

Senior students coming into school

If you are coming into school for any reason other than 30 minutes before a NCEA exam, you MUST sign in and out at Reception (the Front Office). This includes students who come in to study before an exam or stay to study after an exam. For Health and Safety purposes (emergency evacuation or COVID tracing), we need to know who is onsite at all times.

Rosehill School Carpark

Please do not use the Rosehill School carpark either as a thoroughfare or for parking at anytime of the day. If you are collecting your student at the end of the day, please arrange a location in a side street to meet them. If you collect them after 3.40pm you are welcome to use the college carpark.

From the Principal Tena koutou katoa

Congratulations to all those Year 11, 12 and 13 students whose impressive achievements throughout this year were acknowledged in Tuesday's Senior Prizegiving and Wednesday's Year 11 Prizegiving. Special congratulations to the Senior Scholars and to Ramandeep Singh, the winner of the Dux award. Congratulations as well to this year's Head Students for their excellent speeches to the Senior Prizegiving. My thanks to our staff who put in long hours preparing for these prizegivings, and to those who worked behind the scenes on the day to help make it a success.

Thank you to the students and staff who participated in Peer Support Leader training on Wednesday and to Te Whare Kimiora for all their work in preparing the programme. Peer Support Leaders play a significant role in helping the Year 9 students feel connected.

Thursday 19 November is a Teacher Only Day for Auckland schools. Junior students do not come to school that day but senior students must come if they have a NCEA exam that day. School buses will not operate so senior students who do have exams on 19 November will need to make arrangements to ensure that they are at school in time for their exams.

Junior exams started on Wednesday and finish on Monday. Students are working well in their exam sessions. The NCEA exams begin on Monday and continue to 9 December. I ask that any visitors to the College are mindful of students doing exams in Hall when they are coming to Reception to sign in.

Ruby Tuesday – Hayley Lawrence

Ruby was named after a song about freedom, but she's far from free. She's trapped by her mum's accident, her past as a famous pianist a distant memory. This was never the plan -- both of them invisible and voiceless in a dusty small town. And Ruby wants to be heard. But that was before Joey Milano. Before that awful party. Now the only thing Ruby's sure of is that she'll never ever trust anyone again. When the opportunity of a lifetime comes knocking, and a boy from her past reaches out, Ruby's not fooled. Some things are broken beyond repair. Or are they?

But when Sera is chosen as the sacrifice required to break the tether, she feels betrayed by everything she'd been taught to trust. In order to save her city, Sera must throw herself from its edge and end her own life. But something goes wrong and Sera survives the fall, landing on the planet below in a place called Kaolin.
