From the Principal *Tena koutou katoa*

On Monday May 31, classes will finish at 1.40pm after period 4 to enable teachers to be involved in an extended professional learning opportunity. Murphys Buses will run at 1.40pm and the other buses will run at the normal time of 3.20pm. Students are welcome to remain at school and study in the Library.

We have planned to hold a version of House Day on Tuesday 1 June during periods 4 and 5. Normal classes will take place in periods 2 and 3. It has been some years since we were last able to hold House Day, as last year and at the beginning of this year Covid 19 interrupted our plans and in previous years Massey Park had not been available. This will be the first time we are holding a whole school inter-house event on the school grounds, as well as being the first time we have held a House Day so late in the year. Such inter-house events build school and House spirit, and we hope to see students at all year levels participating with enthusiasm. Students may wear House colours to school on Tuesday, but they will need to have warm clothing as the events are held on the school field. If the weather is wet or too cold, or if the field is not up to being the venue, then we will make the call on Monday afternoon. Please check our website or Facebook page for the most up to date information.

We held an emergency lock down practice on Wednesday. Everyone did extremely well and responded to instructions.

Sue Blakely, Principal

Ngāti Tamaoho Education Strategy

Ngāti Tamaoho invited students from schools in their rohe last Friday to contribute towards their Education Strategy. Students were presented with a series of questions about what was important in their education in order to fulfil their goals and dreams. From these responses, Ngāti Tamaoho will further develop what they can offer to students which will help to fill the students' education aspirations.

Our Māori Leaders Tainui Afeaki-Rickard and Shikayla Faitua represented our College and, as pictured, made valuable contributions.

House Day is back!

A new format is being run this year so it is important to be aware of how the day is being run.

Most importantly for students is the decision for students to be able to wear **House colours** for the day. Please avoid any imagery or wording on your clothes that may cause offence or be in contravention of school rules. Please make sure to dress up warmly with several layers as it will be cold.

A decision will be made on Monday afternoon if House Day is to be cancelled. If House Day is cancelled students will need to come to school wearing the correct school uniform.

Timetable for the day:

Tuesday late start
Period 2: 10:00am to 11:00am
Period 3: 11:05am to 12:00pm
LUNCHTIME: 12:00pm to 12:40pm
TUTOR TIME: 12:45pm to 1:00pm
HOUSE DAY: 1:00pm to 3:20pm

Houses will be competing as a giant team in four challenges that will test their teamwork, creativity and House spirit. Three of the four challenges will be revealed on the day to see how Houses can adapt. One challenge requires the House to perform a Tik Tok music challenge and Houses should use the time before Tuesday's House Day to get their plans sorted. Results for the day will be announced on Wednesday and points will go towards the overall House Cup.

FROM THE SPORTS DEPARTMENT

Congratulations to all our teams for another great week of sport. In the Sports Department we are getting reports from people of not just the results but of how well our students are representing themselves and the school. We are proud to receive this feedback and students should feel suitably proud of themselves.

There is no rugby on Friday or Saturday (4 & 5 June) due to Queen's Birthday weekend. Good luck to all our teams which take the field and court this week, I look forward to hearing from your coaches and managers.

Please remember to sign in using the QR codes for the [NZ COVID TRACER APP](#) which are up around the Sports Centre.

The Rosehill College equestrian team had a pretty incredible result this weekend at the North Island Secondary Schools Horse Trial held at the National Equestrian Centre in Taupo.

We had two teams entered which included the following students,

Hanna Luostari, Hollie Cook, Madison Cutfield, Eden Annabell, Zara Cross, Maia Draper and Olivia Annabell.

The team delivered 7 good dressage tests, 7 clear show jumping rounds, and 7 clear cross country rounds and finished the event as :

-Winners of the mixed 80/95cm division

-Winners of the 80cm division

-Winners of the overall dressage cup

In total, Rosehill won 3 out of the 4 trophies up for grabs!

Well done team!

The team were at home for game 3 this week and again played a great game and style of football with loads of passing and movement to create multiple scoring opportunities. With a few players still injured or coming back from injury we had another stand-in keeper, Jesse Meikle who did a great job filling in for Ritti.

Thanks to Jason for marking and making the field safe for play, thanks to Mr Rennell for reffing the game and to the Rosehill supporters who cheered on the team.

Everyone had a great game and some great team goals were created as well as some individual brilliance, again Rhodes Sikireta and Ronan Cribb worked hard all game and were unlucky not to get a few goals themselves.

Half time score 6 nil, full time score 11 nil

Goal scorers – Campbell Morling 3, Cooper Hart 2, Mitchell Corliss 2, Ryan Gaskill 1, Matt Saxon 1, Ben Pivott 2.

Well done team and many thanks to the supporters who came to watch.

This past Wednesday our 1st XI hockey boys played Howick College 1st XI boys at the Strathallan turf. Our boys were looking to improve from their loss last week, and they did; winning the game 1-0. The goal was scored by Reece Smith who made his return to the squad after an injury. Player of the day went to the goalkeeper TJ McDonald for his clean sheet and making some great saves. This was a good improvement for the team, and we now aim to work harder for some more wins later on in the season. Last game for this round is next Wednesday night with the team currently sitting fourth in their table.

Other Information

Uniform

Playing uniform is not to be used during PE lessons. Students need to bring clothes that are not playing uniform to do PE in. Teachers have been told not to allow students to participate in playing uniform.

Formals

Formals are to be worn on game day only, this includes the vest. Please do not wear the vest on other days. Formals need to be worn correctly, including with the tie for boys.

If you have PE on your game day, you must ensure you have a change of clothes to do PE in. Wearing formals is not an excuse to get out of participating in a PE lesson.

Parking

If you are picking up or dropping off your child for sport please use **Gate 4** on Chichester Drive. If this is not possible please use **Gate 3** on Rosehill Drive and park in the car park there. Please **do not** use the car park on Edinburgh Ave after school hours as this is locked in the evening and any cars parked there will be locked in.

PEACE & LOVE

We have received new advice around the treatment of soft tissue injuries. You can find the journal article [here](#). With this advice in mind, the Sports Department will no longer be providing ice packs in team first aid kits.

Keeping up to date

Please follow us on social media. This is where we post updates about trials, training and weekly games. We also like to celebrate our success there.
