## From the Principal *Tena koutou katoa*

The Careers and Subject Selection Evening on Monday was well attended, despite the cold weather. Students are to enter their subject choices on the Student Portal now and also return the hard copy sheet with a parent/caregiver signature to their Tutor Group teachers. Entries are to be made on the Portal and signed sheets handed in by Wednesday next week, August 18. The students' subject selections are the start of creating the 2022 timetable, so it is important for students to complete their part of the process on time.

Our Student Representative on the Rosehill College Board, Cherry Park, spoke to Principal's assemblies this week about her role. I encourage students interested in the governance of the College to put themselves forward for this important position. Nominations for the 2022 Student Representative open on Monday 16 August, and close on Wednesday 25 August.

As we are planning for the next 5 years, we want to hear from you about what is most important in schooling. Please complete the questionnaire, which is on our website to let us know your thoughts. The questionnaire closes on Wednesday next week and your response is valued.

We are having a blitz on lateness to school as far too many students are arriving after their classes have started in the morning, thus missing out on valuable learning time and interrupting others with their late arrival. We appreciate your support in the sometimes difficult task of getting teenagers to school on time and developing good habits of punctuality.

## Pilot Pasifika Leaders Programme

A small group of year 11 students went to the Pilot Pasifika Leaders programme at MIT on Wednesday 11th August, where they were given the opportunity to connect with other students from across Tamaki Makaurau and here from a great team of inspirational speakers. Quotes from the students were...

Finding your why.  
It was good to find connections and common ground in a vast sea of faces.  
Not giving up on our passions and expressing them.  
Learning that my skills are what can support me to where I want to be.  
Seize the opportunities.  
Letting go of the fear of failure .

Shoneve Moke and Metua Daniel creating their summer dresses for Level 1 NCEA Implement Procedures.

## FROM THE SPORTS DEPARTMENT

Well done to our Open Girls Basketball team who have qualified for the Greater Auckland Semifinals. This is the first time in a number of years that the Rosehill Girls have competed in this competition. They play this afternoon against Manurewa High School at the Eventfinda Stadium on the North Shore. Good luck girls!

Well done to our netball teams who competed in their finals this week. We had a number of narrow defeats but our girls showed great effort and commitment to the end. Thank you to all the friends and family, and to Mrs Blakely for coming out to support our teams, this week and the whole season long.

Well done to our football teams who played in their finals this week. Unfortunately results did not go our way for either team but both are looking forward to tournament week.

Paris also traveled to Tauranga last weekend to compete in 'Battle of The Bay' Cheerleading championships. Paris competes for both her club team in Howick and also Team NZ. Both teams won gold which was a great way to end the competition.

## Other Information

### Termly Newsletter

Please have a look at our termly newsletter, [Eye on the Ball](#), for more information on what's coming up this Term.

### Sports Hoodies

Our new sports hoodies have now arrived. Students can come to the Sports Office to be sized for one if they are playing in a sports team or if they played in one in term 1. Once a student has chosen their size we will place the \$65.00 charge on their school account. The hoodie will not be ordered until payment has been received. Orders will be placed on a Friday with any payments received before 11am Friday being placed that week.

### Uniform

Playing uniform is not to be used during PE lessons. Students need to bring clothes that are not playing uniform to do PE in. Teachers have been told not to allow students to participate in playing uniform.

### Formals

Formals are to be worn on game day only, this includes the vest. Please do not wear the vest on other days. Formals need to be worn correctly, including with the tie for boys.

If you have PE on your game day, you must ensure you have a change of clothes to do PE in. Wearing formals is not an excuse to get out of participating in a PE lesson.

### Parking

If you are picking up or dropping off your child for sport please use **Gate 4** on Chichester Drive. If this is not possible please use **Gate 3** on Rosehill Drive and park in the car park there. Please **do not** use the car park on Edinburgh Ave after school hours as this is locked in the evening and any cars parked there will be locked in.

### Balance is Better

Balance is Better is about creating quality experiences for all young people to keep them active and in the game. The website is full of articles, webinars, interviews and more looking at how we can keep young people active and involved in sport.
