1. All Year 10 students will study full year courses in each of these Essential Learning Areas: **English, Mathematics, Science, Social Studies, and Physical Education & Health**. Students are not required to make any choices in these areas.

2. All Year 10 students will study three option subjects for the full year. One subject is to be chosen from column A, one from column B and the third from either column. Refer to the Year 10 Course Selection Booklet for the subjects in each column.

Some combinations of subjects may not be taken together, so it is important that the information in the Year 10 Course Selection Booklet is read carefully. In addition, some Year 11 subjects cannot be taken if the Year 10 course has not been completed.*

List the names of the 3 option subjects you select here:
